INSTRUCTIONS FOR REVERSE SIDE

This form must be completed in detail with typewriter by the owner, including all vehicle descriptive data.

ALTERED, REMOVED, OBLITERATED, DEFACED, MISSING, OMITTED, STOLEN

Sections A, B, C and E must be completed if application for a Mississippi Assigned Vehicle Identification Number is for reason that the original plate is altered, removed, obliterated, defaced, missing, omitted or stolen.

- A. If reason is defaced, altered, obliterated or removed, the following supporting documents must be submitted:
 - 1. The vehicle identification number plate.
 - 2. Affidavit by owner stating the circumstances by which the vehicle identification number was defaced, altered, obliterated or removed.

- B. If reason is missing, omitted or stolen, the following supporting document must be submitted:
 - 1. An affidavit by owner stating the circumstances by which the vehicle identification number plate was missing, omitted, or stolen. If and when the original plate is recovered, it shall be surrendered to this department.

REBUILT

All sections (A, B, C, D and E) must be completed if application for a Mississippi Assigned Vehicle Identification Number is for a rebuilt vehicle. The following supporting documents must be submitted:

- A. The outstanding certificate of title or titles.

- B. In the event no certificate of title is outstanding on the vehicle, the application shall be accompanied by proper bills of sale or such other sufficient evidence as may be required by the department.

Upon approval of application, a Mississippi Assigned Vehicle Identification Number Plate will be issued. A representative from this department will inspect the vehicle, deliver and attach the assigned Mississippi plate. After the Mississippi plate has been attached to the vehicle, owner must take form 78-602 to a designated agent and make application for a certificate of title.
