Charitable Contribution Tax Credit

Foster Care Charitable Tax Credit

Income Tax
Technical Bulletin
TB 80-501-18-2

PURPOSE & SCOPE:

An income tax credit is available for voluntary cash contributions to a “qualifying charitable organization” (QCO) or a “qualifying foster care charitable organization” (QFCCO). The tax credit may be carried forward for five (5) years. The aggregate amount of the credits that may be awarded shall not exceed one million dollars (\$1,000,000). The credit allowed is in lieu of charitable deductions pursuant to Section 170 of the Internal Revenue Code and taken for state tax purposes.

REFERENCES:

Miss. Code Ann. Section 27-7-22.31

OVERVIEW:

An income tax credit is available for voluntary cash contributions from individuals made to a QCO. The amount of the credit is limited to the lesser of four hundred dollars (\$400) or the amount of the contribution in any taxable year for a single individual or a head of household, and the lesser of eight hundred dollars (\$800) or the amount of the contribution in any taxable year for a married couple filing a joint return.

A separate credit is available for voluntary cash contributions during the taxable year made to a QFCCO. The amount of the credit is limited to the lesser of five hundred dollars (\$500) or the amount of the contribution in any taxable year for a single individual or a head of household, and the lesser of one thousand dollars (\$1,000) or the amount of the contribution in any taxable year for a married couple filing a joint return.

A husband and wife who file separate returns for a taxable year in which they could have filed a joint return may each claim only one-half (1/2) of the tax credit that would have been allowed for a joint return. If the allowable tax credit exceeds the taxes due on the taxpayer’s income, or if there are no taxes due, the taxpayer may carry forward the amount of the credit not used for five (5) years. The credit allowed by this section is in lieu of a deduction pursuant to Section 170 of the Internal Revenue Code and taken for state tax purposes.

Qualifying Charitable Organizations

A QCO means a charitable organization that is exempt from federal income taxation under Section 501(c)(3) of the Internal Revenue Code or is a designated community action agency that receives community services block grant program monies pursuant to 42 USC 9901. The organization must spend at least fifty percent (50%) of its budget on services to residents of this

state who receive temporary assistance for needy families benefits or low-income residents of this state and their households or to children who have a chronic illness or physical, intellectual, developmental or emotional disability who are residents of this state. "Low-income residents" are persons whose household income is less than one hundred fifty percent (150%) of the federal poverty level. "Services" means cash assistance, medical care, child care, food, clothing, shelter, job-placement, and job-training services or any other assistance that is reasonably necessary to meet immediate basic needs and that is provided and used in this state.

A charitable organization that meets all other requirements but does not spend at least fifty percent (50%) of its overall budget in Mississippi may still be a QCO. The charitable organization may still qualify if it spends at least fifty percent (50%) of its Mississippi budget on services to qualified individuals in Mississippi and it certifies to the MDOR that one hundred percent (100%) of the voluntary cash contributions from the taxpayer will be spent on services to Mississippi residents.

Taxpayers choosing to make donations through an umbrella charitable organization that collects donations on behalf of member charities must designate that the donation be directed to a member charitable organization that would qualify under this section on a stand-alone basis. A QCO does not include any entity that provides, pays for or provides coverage of abortions or that financially supports any other entity that provides, pays for or provides coverage of abortions.

Qualifying Foster Care Charitable Organization

A QFCCO means a qualifying charitable organization that each year provides services to at least one hundred (100) qualified individuals in this state and spends at least fifty percent (50%) of its budget on services to qualified individuals in this state. A "qualified individual" means a child in a foster care placement program established by the Department of Child Protection Services, a child placed under the Safe Families for Children model, or a child at significant risk of entering a foster care placement program established by the Department of Child Protection Services.

A charitable organization that meets all other requirements but does not spend at least fifty percent (50%) of its overall budget in Mississippi may still be a QFCCO. The charitable organization may still qualify if it spends at least fifty percent (50%) of its Mississippi budget on services to qualified individuals in Mississippi and it certifies to the department that one hundred percent (100%) of the voluntary cash contributions from the taxpayer will be spent on services to Mississippi residents.

How To Qualify As A QCO or QFCCP

To be considered as a QCO or a QFCCO, the organization must submit a letter ruling request including the following:

- Contact information including phone number, email address, mailing address, and physical location if different.
- A statement that the organization meets all criteria to be considered a QCO or QFCCO signed by an officer of the organization under penalties of perjury.
- A copy of the exemption letter from the IRS verifying the organization qualifies under Section 501(c)(3) of the Internal Revenue Code or verification that the organization is a designated community action agency under 42 USC 9901.

- An operating budget for the organization’s prior operating year and the amount of the budget spent on services to residents of Mississippi who either:
 1. Receive temporary assistance for needy families benefits;
 2. Are low-income residents of this state;
 3. Are children who have a chronic illness or physical, intellectual, developmental or emotional disability; or
 4. Are children in a foster care placement program established by the Department of Child Protection Services.
- Copy of prior years’ Federal income tax return.
- Copy of prior years’ financial statements and detailed schedule of expenses.
- Copy of a detailed schedule of how services to Mississippi residents were calculated.
- A statement that the organization plans to continue spending at least fifty percent (50%) of its budget on those same services above. Charitable organizations that do not spend at least fifty percent (50%) of their overall budget in Mississippi may still qualify if they meet all other requirements for a QCO or QFCCO. These organizations must submit a statement that they spend at least fifty percent (50%) of their Mississippi budget on services to qualified individuals in Mississippi and that one hundred percent (100%) of the voluntary cash contributions they receive from Mississippi taxpayers will be spent on services to Mississippi residents.
- A QFCCO must include a statement that each operating year it provides services to at least one hundred (100) qualified individuals in this state.
- A statement that the organization does not provide, pay for or provide coverage of abortions and does not financially support any other entity that provides, pays for or provides coverage of abortions.

A letter acknowledging the approval or denial of the organization as a QCO or a QFCCO will be issued. Please see our webpage concerning letter rulings for more information at <http://www.dor.ms.gov/Pages/Office-of-Tax-Policy.aspx>.

The MDOR maintains a webpage that lists all of the approved QCOs and QFCCOs located at <http://www.dor.ms.gov/Individual/Pages/Qualifying-Charitable-Organizations.aspx>.

The organization must notify the MDOR of any changes that may affect any of the qualifications above.

How To Claim The Credit

When filing the state income tax return claiming the credit, the individual should attach the Mississippi Tax Credit Summary Schedule showing all credits taken and any credit carryforward, and indicate the name of the qualified organization. The QCO tax code is 34 and the QFCCO tax code is 35.
