Short explanation of rule/amendment/repeal and reason(s) for proposing rule/amendment/repeal: The title was changed to reflect the change in order of the two types of resort areas in the rule. The temporary resort area language from section 100 was moved to new section 101 with some minor changes. The phrase "outside the limits of an incorporated municipality" was removed from the first sentence in section 101(1)(a). In 101(1)(b), the last sentence was added clarifying that GPS coordinates should be used to determine boundary lines. In 101(1)(c), the phrase, "and the reasons such steps will result in the attraction of tourists, transients and/or vacationers" was added. In section 100(3), a phrase was added to include that if the President of the Board of Supervisors or the Mayor votes against recommending an area be designated a resort, an application can still be submitted by not less than 100 adult citizens. Some additional criteria were added to the list of information to be included in the application. Other minor changes were made.

Specific legal authority authorizing the promulgation of rule: Miss. Code Ann. Section 67-1-37(h), "To adopt and promulgate, repeal and amend, such rules, regulations, standards, requirements and orders, not inconsistent with this chapter or any law of this state or of the United States, as it deems necessary to control the manufacture, importation, transportation, distribution and sale of alcoholic liquor, whether intended for beverage or nonbeverage use in a manner not inconsistent with the provisions of this chapter or any other statute, including the native wine laws."
