Chapter 13   Temporary Alcoholic Beverage Permits

100  Temporary retailer's permits may be issued by the Department. These permits allow the purchase and resale of alcoholic beverages and native wines during legal hours and only on the premises described in the permit.

101  An alcoholic beverage permit may not be issued or transferred while there is pending in the Courts, or before the Department, any charge of violating the Local Option laws or rules and regulations, or the laws against gambling in the State, pursuant to Miss. Code Ann. Section 67-1-67.

102  All permit fees, filing fees, and additional privilege fees are to be paid by the temporary permittee, in advance, with certified funds.

200  A Class 1, one-day temporary permit, authorizing the sale of alcoholic beverages by the drink, may be issued to a bona fide nonprofit civic or charitable organization. An entity may be considered a bona fide nonprofit civic or charitable organization by submitting documentation evidencing that it is both deemed tax exempt by the Internal Revenue Service pursuant to 26 U.S. Code Section 501 and registered with the Mississippi Secretary of State as a non-profit entity. If granted, the permit shall allow the sale and consumption only at the authorized location during the times permitted for other on-premises retailer locations in the city or county where the permit is issued pursuant to Title 35, Part II, Subpart 2, Chapter 4 of the Mississippi Administrative Code.

The Department may deny an application for failure to timely complete the application or, upon review of the application, may deny the application based on a reasonable belief that the applicant does not meet the required qualifications. If it is determined that an organization is not following ABC rules and regulations while operating under a temporary permit, this may provide a reason for ABC to believe that the organization will sell or knowingly permit its agents or employees to unlawfully sell alcohol in a manner contrary to law and, accordingly, provide a basis for denying future temporary permits to the organization. Any denial of a Temporary Alcoholic Beverage Permit, or an appeal from such denial, shall be conducted in accordance with Title 35, Part II, Subpart 1, Chapter 3 of the Mississippi Administrative Code and Miss. Code Ann. Section 67-1-39.
All alcoholic beverages purchased for resale by a temporary permittee shall be purchased from a package retailer in the county in which the permit is located. The applicant shall set forth on his application the package retailer(s) from which said purchase(s) will be made, including the quantity to be purchased. All applicable sales and use taxes must be paid by the Class 1 Temporary Alcoholic Beverage Permit holder. Any bottled alcoholic beverages remaining in the possession of the Class 1 Temporary Alcoholic Beverage Permit holder may, with approval of the package retailer, be returned to the package retailer from which they were purchased. In no event may damaged alcoholic beverages, or partials, be returned to a package retailer.

Any package retailer or Class 1 Temporary Alcoholic Beverage Permit holder violating the terms of this chapter may, at the discretion of the Department, have his permit suspended or revoked, or may be denied a future permit by the Department.

A Class 2 Temporary Alcoholic Beverage Permit may be issued only in conjunction with a transfer application submitted by a prospective permittee seeking an on-premises retailer or package retailer permit currently in effect at the particular location for which the transfer is sought.

Upon the failure of the applicant to submit these matters within required time, the temporary permit will lapse and liquor sales will be prohibited. The Department may deny an application for failure to timely complete the application or, upon review of the application, may deny the application based on a reasonable belief that the applicant does not meet the required qualifications. Any denial of a permit, or an appeal of such denial, shall be conducted in accordance with Title 35, Part II, Subpart 1, Chapter 3 of the Mississippi Administrative Code and Miss. Code Ann. Section 67-1-39.
