08 If you are a resident of Mississippi who earns income in another state and are required to pay an income tax to that other state, you are allowed to  
09 take a credit against your Mississippi income tax due in the same year for the total income tax due to the other state (subject to certain limitations). The  
10 withholding amounts shown on your W-2 forms are **NOT** the same as actual tax paid to the other state. Copies of withholding statements are not  
11 sufficient to establish the credit. In order to be allowed this credit, you **MUST** file an income tax return with the other state **and** attach a copy of the other  
12 state returns along with this Form 80-160 to your Mississippi return.

## 14 Limitations

- 15 Miss. Code Ann. Section 27-7-77 provides for the following three limitations:
- 16 (1) The credit may not exceed the amount of income tax due the State of Mississippi, indicated on line 17;
  - 17 (2) The credit may not exceed the amount of income tax actually paid to the other state; and
  - 18 (3) The credit may not exceed an amount computed by applying the highest applicable Mississippi rates to the net taxable income reported to the other  
19 state. Highest rates is defined as the highest rates at which the net taxable income reported to the other state is taxable by the State of Mississippi.
