

## **February 10 Storm Filing Extension**

Mississippi will follow the federal extensions of filing deadlines due to the recent severe storms, tornadoes and flooding in Lamar and Forest counties.

Income tax returns with a due date on or after February 10, 2013, and on or before April 30, 2013, are extended until April 30, 2013. Returns should be marked in blue or black ink with the county designation at the top.

Withholding returns due on February 15, 2013 are extended until February 27, 2013.

If an affected taxpayer receives a penalty and interest notice, please contact our office at 601-923-7700 to have the penalty and interest abated. Penalties or interest will be abated only for taxpayers who have an original or extended filing, payment due date, including an extended filing or payment due date, that falls within the postponement period.

This extension does not apply to any other tax administered by the Department of Revenue.
