## APPLICATION INSTRUCTIONS

*This application may be typed or neatly printed in ink.*

### **Please read these instructions prior to completing this application**

Each applicant, regardless of the type of ABC permit sought, must meet the statutory qualifications set by the Local Option Alcoholic Beverage Control Laws, codified at Title 67 of the Mississippi Code. The Department, under authority of these laws, has established policies requiring applicants to file certain documents concerning the applicant's place of business. This application asks for particular information concerning each applicant to allow the Department to determine the eligibility of the applicant for licensing as well as the suitability of the business premises to offer alcoholic beverages for sale.

The application immediately follows these instructions. Indicate with an (x) the type of license sought under this application and include the appropriate license fee.

It is important that you complete the appropriate SUPPLEMENTAL INFORMATION portion of the application that corresponds to the type of license that you are seeking. (i.e. package store, on-premises, or on-premises private club) **(NOTE: An on-premises private club is a chartered organization formed for purposes other than profiting from the sale of alcoholic beverages. Some examples of private clubs are veteran's groups, lodges, and golf clubs).**

Be thorough in your completion of the STATEMENT OF OWNERSHIP section. Locate on this form the ownership classification of the applicant, whether a sole owner, partnership, corporation, limited liability company, trust or other. This form contains instructions on who must file qualifying documents (PERSONAL RECORD, Form 1001, SUMMARY FINANCIAL STATEMENT, Form 2007; and fingerprint cards) with this application. Note that partnerships, limited liability companies and corporations and trusts must also file a separate SUMMARY FINANCIAL STATEMENT disclosing the financial status of the business. Financial Statements must be within sixty (60) days. Standard Bank Confirmation Forms are also enclosed and must be completed if you have a banking institution outside of the State of Mississippi. Some in-state banks might also require this form to be completed, therefore please check with your bank.

Each applicant must submit two (2) fingerprint cards. Fingerprints must be completed by a law enforcement agency on ABC "Applicant" fingerprint cards. The cards must be complete, legible, and capable of being classified by the Federal Bureau of Investigation. Some law enforcement agencies have ABC fingerprint cards on hand. If you need fingerprint cards, contact the Permit Dept. or visit your local MS Department of Revenue office.

You will notice that there are two separate waivers that must be submitted. These waivers serve different purposes. The first waiver accompanies your personal record form and authorizes ABC to conduct a thorough background investigation to determine your qualifications for an ABC license. The second waiver accompanies the SUMMARY FINANCIAL STATEMENT. The purpose of this waiver is to verify the financial solvency that you disclose on the form with banking institutions. **It is required that you have your signature witnessed by two people on both waivers and authorizations to release information.** Signatures on each PERSONAL RECORD form must be notarized.

You must submit with this application a copy of your lease, if leasing the business premises, or your deed, if you own the business premises. If a lease, the lessee must be the applicant for the alcoholic beverage permit (sole owner, partnership, Limited Liability Company, trust or corporation) and the lease may not expire for at least twelve (12) months. You must also include a FLOOR PLAN of the business premises that details your proposed areas of customer service, storage, kitchen facilities, restrooms, etc. The floor plan that you submit must receive approval from ABC prior to the issuance of an ABC license. Sales and consumption of alcoholic beverages are limited to the approved floor plan. Additionally, **you must submit a menu if you are applying for a license as an on-premise retailer or caterer.**

New applicants are required to give public notice of their intent to make application by publication for two (2) consecutive issues in a newspaper of general circulation published in the city or town in which applicant's place of business is located. However, in such instances where no newspaper is published in the city or town, then the same shall be published in a newspaper of general circulation published in the county where the applicant's business is located. If no newspaper is published in the county, the notice shall be published in a qualified newspaper which is published in the closest neighboring county and circulated in the county of applicant's residence. Such notice shall be printed in ten-point black face type and shall set forth the type of permit to be applied for, the exact location of the place of business, the name of the owner or owners thereof, and if operating under an assumed name, the trade name together with the names of all owners, and if a corporation, the names and titles of all officers. The cost of such notice shall be borne by the applicant. An acceptable legal notice format is included in this packet. Submit with this application a PUBLISHER'S AFFIDAVIT (obtained from the newspaper) as proof of publication.

You must apply to the Dept. of The Treasury and furnish with this application a completed copy of TTB Form 5630.5d (7/2008). To obtain a form, go to [www.ttb.gov](http://www.ttb.gov). If you have questions or need assistance, you may call the Alcohol and Tobacco Tax and Trade Bureau at 1-800-937-8864.

You may return this form with your application or provide a copy of the registration you filed at your local DOR District Service Office.

Applicants can't be indebted to the state for any taxes, fees, or penalties. Your MISSISSIPPI INCOME TAX filing status, if applicable, will be verified for the past three (3) years. If our records indicate that you are delinquent in filing these returns (or you are indebted to the State of Mississippi for any other taxes, fees or penalties) you will be notified and must obtain clearance from your local DOR District Office before we can continue processing your application.

As of September 1, 2012, the following regulation regarding restaurant qualification is in effect:

**201** To qualify as a "restaurant" under Miss. Code Ann. §67-1-5(m), the premises must have and maintain the following minimum kitchen requirements:

1. A menu that contains at least five (5) separate entrees. Food items must be prepared in whole or in part on the premises. Food items that are merely heated and served or "ready-to-eat" without further preparation do not meet this requirement. Specialty or theme restaurants that specialize in one entrée line may be exempted from this requirement so long as the entree line contains an acceptable number of theme or specialty entrée variations.
2. At a minimum, a Risk Category 2 Permit issued by the Mississippi State Department of Health. Proof of the Permit is required for the initial application and all subsequent renewals.

3. Employ at least one (1) employee with management or supervisory responsibility certified as a “food manager”, or an equivalent position, by an educational program recognized by the Mississippi Department of Health.
4. A kitchen that contains the following functional equipment:
  - a. Oven and stove top (can be one complete unit);
  - b. Cold storage areas (i.e., a refrigerator and freezer, either separate or combined);
  - c. Ventilation hood that meets applicable requirements under Mississippi State Department of Health regulations and city and/or local ordinances;
  - d. Adequate food preparation areas and countertop space;
  - e. Mop sink;
  - f. Three-compartment sink; and
  - g. Separate hand-washing facilities for employees.

All equipment must meet applicable standards as required by the Mississippi State Department of Health and as listed in the FDA Food Code. Menus must be readily available and visible to customers along with the dining hours of operation. Dining hours must be adequate to meet the requirements based on the business’s individual food service plan.

5. A minimum of twenty-five percent (25%) of gross annual sales derived from the preparation and serving of food.
6. Otherwise meet the requirements set forth in Miss. Code Ann. §67-1-5(m).

**202** The term “restaurant” includes a buffet if the buffet line is operational for at least three (3) hours per day. The buffet must contain at least two (2) meat items and three (3) side items. Items commonly known as “finger goods” or “snack foods” do not meet this requirement.

**203** In addition to all other application requirements, an applicant must submit a copy of its menu and the certifications listed in subsections (2) and (3) above with its initial application and any subsequent renewal.

Applicants for a common carrier license must submit a copy of the title and tag registration for each vehicle/carrier in service.

Be sure to review the application check list located in the back of the application and include proper payment for the type of license applied for and send the completed forms to:

**Permit Department  
P.O. Box 22828  
Jackson, Mississippi 39225**

**NEW BUSINESSES UNDER CONSTRUCTION:** Applications will not be accepted for locations where no structure exists. Until your new building is completed or very near completion, we can’t make a final decision as to whether a permit can be granted pursuant to state law and regulation. Even with the completion of a new site, we can in no way guarantee that you will be granted an ABC permit. In addition to site requirements in state law, all applicants must pass a background investigation. Also, there is the possibility of public opposition to the issuance of the permit which will result in a hearing at the Board of Tax Appeals. Because of this, do not send applications until your new building is complete or near completion. If you would like a proposed site inspected prior to construction to check applicable distance requirements, call the ABC Permit Department at 601-923-7690. This inspection is a courtesy and in no way should be construed as “approval” for construction as variables may change in the surrounding area during the construction process.
