Sales and Use Tax Bureau

Notice 72-15-04

June 2, 2015

---

## NOTICE TO TOBACCO WHOLESALERS CHANGE IN SHIPPING

Starting July 1, 2015, the Mississippi Department of Revenue (MDOR) will change the way it ships cigarette tax stamps. You will continue to order cigarette tax stamps using TAP; however, the method by which you receive stamps will be streamlined. Orders will be shipped directly from Meyercord, our stamp provider.

Additionally, the maximum number of cigarette tax rolls/sheets allowed per order has changed to 200.

All shipping costs will be billed directly from the carrier to you, using your carrier account number. You can still choose either FedEx or UPS as your carrier and select the desired delivery option (next-day or second-day).

Meyercord will ship all orders received and approved by MDOR before 10:00 a.m. Central Time. All orders placed after 10:00 a.m. Central Time, and/or not approved by MDOR, will be shipped the next business day.

To implement this change, **all stamp orders received after June 25, 2015, will be delayed until July 1, 2015.**

This new process will make ordering tax stamps easier and faster than before. We appreciate your support during this transition.

If you have any questions, please contact the Sales Tax Department at 601-923-7015.

Sincerely,

Tax Administrator
