### Clinton, Miss.- Design Chosen for the 2024 Mississippi Standard License Plate

In November 2022, the Governor kicked off a campaign for Mississippians to help redesign the standard license plate. The License Tag Commission (LTC), consisting of the Governor, Commissioner of Revenue, State Treasurer, and Attorney General, accepted submissions November 1 through November 30. After receiving over 400 submissions, a winner has been selected.

The winner of the tag design contest is Leah Frances Eaton. Congratulations, Leah!

The new, standard license plate will be issued starting with January 2024 renewals. The LTC thanks everyone who submitted a design for the contest.
