The contract awarded will be a fixed price agreement.

4.0 Minimum Bidder Qualifications to be Deemed Responsible

- 4.1 Each bidder must have been in business a minimum of five (5) years prior to submission of its bid.
- 4.2 Each bidder must have delivered alcoholic beverages, or non-alcoholic beverages or beer at a **minimum** average rate of **2,500,000** cases per year for at least four (4) years.
- 4.3 Each bidder must be able to provide sufficient physical equipment of all kinds, including but not limited to, motor vehicles necessary to haul the required merchandise. In the past, carriers have needed the availability of 20-35 trucks available at any time on a daily basis depending upon the size of the vehicle to accomplish the deliveries. Also, bidder should be aware that, due to restrictions of the owner of the location of some permitted businesses or the parking restrictions of some municipal authorities or due to the physical limitation of the permitted location, some locations may not be accessible for delivery by a tractor trailer at or near the permittee. Such restrictions may require the use of a hand truck or dolly for delivery or the use of a truck smaller than a tractor trailer for deliveries to such restricted locations. The bidder must **have the ability to provide sufficient** equipment to deliver a minimum of 3,400,000 cases per year.
- 4.4 **The bidder must have the ability to** provide sufficient drivers for delivery of a minimum of 3,400,000 cases per year within the aforesaid area in accordance with the provisions of the contract;

5.0 Scope of Services

5.1 Carrier Responsibilities

If awarded the contract, the Carrier will be required to abide by the following requirements, obligations, and responsibilities:

- (1) The carrier shall pay all claims filed with it regarding damaged product within thirty (30) calendar days from the date of filing thereof, pursuant to guidelines found online or justify such non-payment to ABC; The carrier agrees that if merchandise is damaged while in its possession or in transit to the permittee, it will be responsible for paying all claims and issuing credits to the permittee. Furthermore, if products are found to be damaged inside the warehouse and before being loaded on the delivery truck, such credits to the permittee will be issued by DOR.
- (2) The carrier agrees that if it at any time does not have enough physical equipment or for any reason whatsoever, except for a Force Majeure Event as defined in the Force Majeure provision contained herein below, it is unable to make delivery of the merchandise, the carrier shall notify ABC immediately. ABC shall then have the right to ship the merchandise by public carrier to the designated consignee, and ABC may at its option treat such inability as a breach of contract and may immediately enter into a contract for delivery of such merchandise with other parties. Carrier is responsible for any additional costs incurred by ABC in such instances as a measure of contract damages and agrees to pay such on demand.
- (3) The carrier agrees that if the merchandise has been tendered to it for delivery and it does not have enough physical equipment or for any reason whatsoever, except for a Force Majeure Event as defined in the Force Majeure provision contained herein below, it is unable to make delivery or if delivery is going to be delayed, the carrier must notify ABC immediately of the affected customers. Further, carrier agrees that if the product has been loaded on its trucks, it will cooperate in such instances and assist ABC in unloading/loading the product on vehicles retained by ABC to make the deliveries. Carrier is responsible for any additional costs incurred by ABC in such instances as a measure of contract damages and agrees to pay such on demand.
- (4) The carrier agrees that it will hold ABC harmless by reason of any failure to deliver as a result of any automotive wreck or accident of any kind, whether or not such wreck or collision is due to the negligence of carrier's agents, servants, or employees.
- (5) At all times when carrier's employees are on the grounds of the Liquor Distribution Center (LDC) and when making deliveries to permittees, all of carrier's employees must wear and display in a visible place on their clothing a photograph identification badge issued by the carrier. The badge shall contain such information and be in a form acceptable to ABC and its contractors.

- (6) The carrier agrees to provide a current, updated list throughout the contract period of all management personnel with telephone numbers whom the ABC Division may contact, if necessary.
- (7) All trucks shall report to the LDC at a specified time for loading. ABC reserves the right to reasonably adjust shipping and loading schedules as it deems necessary.
- (8) Trucks shall be removed from the loading area immediately after loading is completed. The carrier will provide a trailer spotter who must be available during the entire loading process.
- (9) The carrier is responsible for counting load or accepting ABC's load and count document as indicated by closed or sealed trucks. Carrier is responsible for breakage and shortages once the document is signed except that which is noted on the load and count document prior to departing ABC. Once the load is accepted by the carrier's employee, the only damage compensation that ABC is responsible for is dry, concealed damage.
- (10) Unless otherwise provided in this contract, the carrier must guarantee next workday delivery. At the time of delivery to the permittee the carrier must obtain a delivery signature from the permittee or his representative confirming date of delivery and receipt of the cases listed on the bill of lading. Carrier agrees to provide such documents evidencing proof of delivery to ABC upon request.
- (11) The carrier must guarantee to receive and deliver double shipments on days when required by ABC. The Department acknowledges that in the case of double shipments, delivery by the next workday may not be possible, but the carrier is to make all reasonable efforts to deliver double shipments by the next workday, and if such delivery is not possible, to complete delivery by the end of the second workday.
- (12) The carrier must deliver to permittees (cosignee) between the hours of 10 a.m. and 10 p.m. unless otherwise specified.
- (13) The carrier must adopt a delivery schedule to reasonably accommodate permittees when possible.
- (14) The carrier must secure ABC approval prior to returning merchandise to the LDC if return of the merchandise is requested by the permittee. In the event of a merchandise return authorized by ABC at the permittee's request, the cost of return that the carrier charges the permittee shall never exceed the cost of the delivery charge that ABC pays the carrier for the item(s) returned. For ABC to maintain proper control and other mandated requirements, the carrier must return any cases that are mis-shipped, any product that is damaged by the carrier and not accepted by the permittee, and any extra cases (overages) found on the trucks. Return of this product must occur within five (5) working days.
- (15) The carrier must pick up and return merchandise as requested by the ABC within five (5) working days of notification.

- (16) The carrier must maintain a complaint and commendation file, which shall be presented to ABC yearly or upon request.
- (17) The carrier agrees to deliver each workday (Tuesday – Friday) (Monday as requested) except for the following six (6) holidays: (1) New Year’s Day; (2) Memorial Day; (3) Independence Day; (4) Labor Day; (5) Thanksgiving Day; and (6) Christmas Day. Observance of holidays and holiday pick-up and delivery schedules must be in agreement with ABC. The carrier will be notified by ABC with as much advance notice as ABC can reasonably provide on pick-up and delivery schedules for holidays.
- (18) In emergency situations, delivery by the carrier to permittees will be required on Saturdays and holidays. In the event a Saturday or holiday delivery is required due to any situation for which ABC is responsible for the same, ABC will be liable for no more than double the delivery rates in effect. Further, this provision operates as a limit on ABC’s liability for Saturday and holiday delivery and is not intended as a negotiated rate of payment for a Saturday and holiday delivery. In the event a Saturday or holiday delivery is required due to any situation for which the carrier is responsible, current delivery rates in effect still apply.

5.2 DOR Responsibilities

- (1) Provide daily case totals for each trailer to be loaded.
- (2) Provide Bill of Lading at completion of each load with delivery notes for each drop.

Disclosure of Confidential Information

In the event that either party to this agreement receives notice that a third-party requests divulgence of confidential or otherwise protected information and/or has served upon it a subpoena or other validly issued administrative or judicial process ordering divulgence of

confidential or otherwise protected information that party shall promptly inform the other party and thereafter respond in conformity with such subpoena to the extent mandated by law. This section shall survive the termination or completion of this agreement. The parties agree that this section is subject to and superseded by Mississippi Code Annotated §§ 25-61-1 et seq.

E- Payment

Contractor agrees to accept all payments in United States currency via the State of Mississippi's electronic payment and remittance vehicle. The agency agrees to make payment in accordance with Mississippi law on "Timely Payments for Purchases by Public Bodies," which generally provides for payment of undisputed amounts by the agency within forty-five (45) days of receipt of invoice. Mississippi Code Annotated § 31-7-301 et seq.

E-Verification

If applicable, Contractor represents and warrants that it will ensure its compliance with the Mississippi Employment Protection Act of 2008 and will register and participate in the status verification system for all newly hired employees. Mississippi Code Annotated §§ 71-11-1 et seq. The term "employee" as used herein means any person that is hired to perform work within the State of Mississippi. As used herein, "status verification system" means the Illegal Immigration Reform and Immigration Responsibility Act of 1996 that is operated by the United States Department of Homeland Security, also known as the E-Verify Program, or any other successor electronic verification system replacing the E-Verify Program. Contractor agrees to maintain records of such compliance. Upon request of the State and after approval of the Social Security Administration or Department of Homeland Security when required, Contractor agrees to provide a copy of each such verification. Contractor further represents and warrants that any person assigned to perform services hereafter meets the employment eligibility requirements of all immigration laws. The breach of this agreement may subject Contractor to the following:

- (1) termination of this contract for services and ineligibility for any state or public contract in Mississippi for up to three (3) years with notice of such cancellation/termination being made public;
- (2) the loss of any license, permit, certification, or other document granted to Contractor by an agency, department or governmental entity for the right to do business in Mississippi for up to one (1) year or, both.
- (3) In the event of such cancellations/termination, Contractor would also be liable for any additional costs incurred by the State due to Contract cancellation or loss of license or permit to do business in the State.

Failure to Enforce

Failure by the Mississippi Department of Revenue at any time to enforce the provisions of the contract shall not be construed as a waiver of any such provisions. Such failure to enforce shall not affect the validity of the contract or any part thereof or the right of the Mississippi Department of Revenue to enforce any provision at any time in accordance with its terms.

Force Majeure

Each party shall be excused from performance for any period and to the extent that it is prevented from performing any obligation or service, in whole or in part, as a result of causes beyond the reasonable control and without the fault or negligence of such party and/or its subcontractors. Such acts shall include without limitation acts of God, strikes, lockouts, riots, acts of war, epidemics, governmental regulations superimposed after the fact, fire, earthquakes, floods, or other natural disasters (“force majeure events”). When such a cause arises, Contractor shall notify the State immediately in writing of the cause of its inability to perform, how it affects its performance, and the anticipated duration of the inability to perform. Delays in delivery or in meeting completion dates due to force majeure events shall automatically extend such dates for a period equal to the duration of the delay caused by such events, unless the State determines it to be in its best interest to terminate the agreement.

Independent Contractor

Contractor shall, at all times, be regarded as and shall be legally considered an independent contractor and shall at no time act as an agent for the State. Nothing contained herein shall be deemed or construed by the State, Contractor, or any third party as creating the relationship of principal and agent, master and servant, partners, joint ventures, employer, and employee, or any similar such relationship between the State and Contractor. Neither the method of computation of fees or other charges, nor any other provision contained herein, nor any acts of the State or Contractor hereunder creates or shall be deemed to create a relationship other than the independent relationship of the State and Contractor. Contractor’s personnel shall not be deemed in any way, directly or indirectly, expressly or by implication, to be employees of the State. Neither Contractor nor its employees shall, under any circumstances, be considered servants, agents, or employees of the Mississippi Department of Revenue, and the Mississippi Department of Revenue shall be at no time legally responsible for any negligence or other wrongdoing by Contractor, its servants, agents, or employees. The Mississippi Department of Revenue shall not withhold from the contract payments to Contractor any federal or state unemployment taxes, federal or state income taxes, Social Security tax, or any other amounts for benefits to Contractor. Further, the Mississippi Department of Revenue shall not provide to Contractor any insurance coverage or other benefits, including Worker’s Compensation, normally provided by the State for its employees.

Integrated Agreement/Merger

This agreement, including all contract documents, represents the entire and integrated agreement between the parties hereto and supersedes all prior negotiations, representations, or agreements, irrespective of whether written or oral. This agreement may be altered, amended, or modified only by a written document executed by the State and Contractor. Contractor acknowledges that it has thoroughly read all contract documents and has had the opportunity to receive competent advice and counsel necessary for it to form a full and complete understanding of all rights and obligations herein. Accordingly, this agreement shall not be construed or interpreted in favor of or against the State or Contractor on the basis of draftsmanship or preparation hereof.

Ownership of Documents and Work Papers

The Mississippi Department of Revenue shall own all documents, files, reports, work papers and working documentation, electronic or otherwise, created in connection with the project, which is the subject of this agreement, except for Contractor's internal administrative and quality assurance files and internal project correspondence. Contractor shall deliver such documents and work papers to the Mississippi Department of Revenue upon termination or completion of the agreement. The foregoing notwithstanding, Contractor shall be entitled to retain a set of such work papers for its files. Contractor shall be entitled to use such work papers only after receiving written permission from the Mississippi Department of Revenue and subject to any copyright protections.

Paymode

Payments by state agencies using the State's accounting system shall be made and remittance information provided electronically as directed by the State. These payments shall be deposited into the bank account of Contractor's choice. The State may, at its sole discretion, require Contractor to electronically submit invoices and supporting documentation at any time during the term of this Agreement. Contractor understands and agrees that the State is exempt from the payment of taxes. All payments shall be in United States currency.

- d. by the price escalation clause.

II. Submission of Cost of Pricing Data. The Contractor shall provide cost or pricing data for any price adjustments subject to the provisions of Section 3-403 (Cost or Pricing Data) of the *Mississippi Public Procurement Review Board Office of Personal Service Contract Review Rules and Regulations*.

Procurement Regulations

The contract shall be governed by the applicable provisions of the Mississippi Public Procurement Review Board Office of Personal Service Contract Review Rules and Regulations, a copy of which is available at 501 North West Street, Suite 701E, Jackson, Mississippi 39201 for inspection, or downloadable at <http://www.DFA.ms.gov>.

Prospective Contractor's Representation Regarding Contingent Fees

The prospective Contractor represents as a part of such Contractor's bid that such Contractor has not retained any person or agency on a percentage, commission, or other contingent arrangement to secure this contract.

Record Retention and Access to Records

Provided Contractor is given reasonable advance written notice and such inspection is made during normal business hours of Contractor, the State or any duly authorized representatives shall have unimpeded, prompt access to any of Contractor's books, documents, papers, and/or records which are maintained or produced as a result of the project for the purpose of making audits, examinations, excerpts, and transcriptions. All records related to this agreement shall be retained by Contractor for three (3) years after final payment is made under this agreement and all pending matters are closed; however, if any audit, litigation or other action arising out of or related in any way to this project is commenced before the end of the three (3) year period, the records shall be retained for one (1) year after all issues arising out of the action are finally resolved or until the end of the three (3) year period, whichever is later.

Recovery of Money

Whenever, under the contract, any sum of money shall be recoverable from or payable by Contractor to the Mississippi Department of Revenue, the same amount may be deducted from any sum due to Contractor under the contract or under any other contract between Contractor and the Mississippi Department of Revenue. The rights of the Mississippi Department of Revenue are in addition and without prejudice to any other right the Mississippi Department of Revenue may have to claim the amount of any loss or damage suffered by the Mississippi Department of Revenue on account of the acts or omissions of Contractor.

Representation Regarding Contingent Fees

Contractor represents that it has not retained a person to solicit or secure a state contract upon an agreement or understanding for a commission, percentage, brokerage, or contingent fee, except as disclosed in Contractor's bid.

Representation Regarding Gratuities

The bidder, offeror, or Contractor represents that it has not violated, is not violating, and promises that it will not violate the prohibition against gratuities set forth in Section 6-204 (Gratuities) of the Mississippi Public Procurement Review Board Office of Personal Service Contract Review Rules and Regulations.

Severability

If any part of this agreement is declared to be invalid or unenforceable, such invalidity or unenforceability shall not affect any other provision of the agreement that can be given effect without the invalid or unenforceable provision, and to this end the provisions hereof are severable. In such event, the parties shall amend the agreement as necessary to reflect the original intent of the parties and to bring any invalid or unenforceable provisions in compliance with applicable law.

Stop Work Order

(1) Order to Stop Work: The procurement officer, may, by written order to Contractor at any time, and without notice to any surety, require Contractor to stop all or any part of the work called for by this contract. This order shall be for a specified period not exceeding 90 days after the order is delivered to Contractor, unless the parties agree to any further period. Any such order shall be identified specifically as a stop work order issued pursuant to this clause. Upon receipt of such an order, Contractor shall forthwith comply with its terms and take all reasonable steps to minimize the occurrence of costs allocable to the work covered by the order during the period of work stoppage. Before the stop work order expires, or within any further period to which the parties shall have agreed, the procurement officer shall either:

(a) cancel the stop work order; or,

(b) terminate the work covered by such order as provided in the Termination for Default clause or the Termination for Convenience clause of this contract.

(2) Cancellation or Expiration of the Order: If a stop work order issued under this clause is canceled at any time during the period specified in the order, or if the period of the order or any extension thereof expires, Contractor shall have the right to resume work. An appropriate adjustment shall be made in the delivery schedule or Contractor price, or both, and the contract shall be modified in writing accordingly, if:

(a) the stop work order results in an increase in the time required for, or in Contractor's properly allocable to, the performance of any part of this contract; and,

(b) Contractor asserts a claim for such an adjustment within 30 days after the end of the period of work stoppage; provided that, if the procurement officer decides that the facts justify such action, any such claim asserted may be received and acted upon at any time prior to final payment under this contract.

(3) Termination of Stopped Work: If a stop work order is not canceled and the work covered by such order is terminated for default or convenience, the reasonable costs resulting from the stop work order shall be allowed by adjustment or otherwise.

(4) Adjustments of Price: Any adjustment in contract price made pursuant to this clause shall be determined in accordance with the Price Adjustment clause of this contract.

Termination for Convenience Clause

(1) Termination. The Agency Head or designee may, when the interests of the State so require, terminate this contract in whole or in part, for the convenience of the State. The Agency Head or designee shall give written notice of the termination to Contractor specifying the part of the contract terminated and when termination becomes effective.

(2) Contractor's Obligations. Contractor shall incur no further obligations in connection with the terminated work and on the date set in the notice of termination Contractor will stop work to the extent specified. Contractor shall also terminate outstanding orders and

subcontracts as they relate to the terminated work. Contractor shall settle the liabilities and claims arising out of the termination of subcontracts and orders connected with the terminated work. The Agency Head or designee may direct Contractor to assign Contractor's right, title, and interest under terminated orders or subcontracts to the State. Contractor must still complete the work not terminated by the notice of termination and may incur obligations as are necessary to do so.

Termination for Default Clause

(1) *Default.* If Contractor refuses or fails to perform any of the provisions of this contract with such diligence as will ensure its completion within the time specified in this contract or any extension thereof, or otherwise fails to timely satisfy the contract provisions, or commits any other substantial breach of this contract, the Agency Head or designee may notify Contractor in writing of the delay or nonperformance and if not cured in ten (10) days or any longer time specified in writing by the Agency Head or designee, such officer may terminate Contractor's right to proceed with the contract or such part of the contract as to which there has been delay or a failure to properly perform. In the event of termination in whole or in part, the Agency Head or designee may procure similar supplies or services in a manner and upon terms deemed appropriate by the Agency Head or designee. Contractor shall continue performance of the contract to the extent it is not terminated and shall be liable for excess costs incurred in procuring similar goods or services.

(2) *Contractor's Duties.* Notwithstanding termination of the contract and subject to any directions from the Chief Procurement Officer, Contractor shall take timely, reasonable, and necessary action to protect and preserve property in the possession of Contractor in which the State has an interest.

(3) *Compensation.* Payment for completed services delivered and accepted by the State shall be at the contract price. The State may withhold from amounts due Contractor such sums as the Agency Head or designee deems to be necessary to protect the State against loss because of outstanding liens or claims of former lien holders and to reimburse the State for the excess costs incurred in procuring similar goods and services.

(4) *Excuse for Nonperformance or Delayed Performance.* Except with respect to defaults of subcontractors, Contractor shall not be in default by reason of any failure in performance of this contract in accordance with its terms (including any failure by Contractor to make progress in the prosecution of the work hereunder which endangers such performance) if Contractor has notified the Agency Head or designee within 15 days after the cause of the delay and the failure arises out of causes such as: acts of God; acts of the public enemy; acts of the State and any other governmental entity in its sovereign or contractual capacity; fires; floods; epidemics; quarantine restrictions; strikes or other labor disputes; freight embargoes; or unusually severe weather. If the failure to perform is caused by the failure of a subcontractor to perform or to make progress, and if such failure arises out of causes similar to those set forth above, Contractor shall not be deemed to be in default, unless the services to be furnished by the subcontractor were reasonably obtainable from other sources in sufficient time to permit Contractor to meet the contract requirements. Upon request of Contractor, the Agency Head or designee shall ascertain the facts and extent of such failure, and, if such officer determines that any failure to perform was occasioned by

any one or more of the excusable causes, and that, but for the excusable cause, Contractor's progress and performance would have met the terms of the contract, the delivery schedule shall be revised accordingly, subject to the rights of the State under the clause entitled "Termination for Convenience".

(5) *Erroneous Termination for Default.* If, after notice of termination of Contractor's right to proceed under the provisions of this clause, it is determined for any reason that the contract was not in default under the provisions of this clause, or that the delay was excusable under the provisions of Paragraph (4) (Excuse for Nonperformance or Delayed Performance) of this clause, the rights and obligations of the parties shall, if the contract contains a clause providing for termination for convenience of the State, be the same as if the notice of termination had been issued pursuant to a termination for convenience.

(6) *Additional Rights and Remedies.* The rights and remedies provided in this clause are in addition to any other rights and remedies provided by law or under this contract.

Termination Upon Bankruptcy

This contract may be terminated in whole or in part by the Mississippi Department of Revenue upon written notice to Contractor, if Contractor should become the subject of bankruptcy or receivership proceedings, whether voluntary or involuntary, or upon the execution by Contractor of an assignment for the benefit of its creditors. In the event of such termination, Contractor shall be entitled to recover just and equitable compensation for satisfactory work performed under this contract, but in no case shall said compensation exceed the total contract price.

Third Party Action Notification

Contractor shall give the customer prompt notice in writing of any action or suit filed, and prompt notice of any claim made against Contractor by any entity that may result in litigation related in any way to this agreement.

Trade Secrets, Commercial and Financial Information

It is expressly understood that Mississippi law requires that the provisions of this contract which contain the commodities purchased or the personal or professional services provided, the price to be paid, and the term of the contract shall not be deemed to be a trade secret or confidential commercial or financial information and shall be available for examination, copying, or reproduction.

Unless exempted from disclosure due to a court-issued protective order, a copy of this executed contract is required to be posted to the Mississippi Department of Finance and Administration's independent agency contract website for public access at

<http://www.transparency.mississippi.gov>. Information identified by Contractor as trade secrets, or other proprietary information, including confidential vendor information or any other information which is required confidential by state or federal law or outside the applicable freedom of information statutes, will be redacted.

Unsatisfactory Work

If, at any time during the contract term, the service performed or work done by Contractor is considered by the Mississippi Department of Revenue to create a condition that threatens the health, safety, or welfare of the citizens and/or employees of the State of Mississippi, Contractor shall, on being notified by the Mississippi Department of Revenue, immediately correct such deficient service or work. In the event Contractor fails, after notice, to correct the deficient service or work immediately, the Mississippi Department of Revenue shall have the right to order the correction of the deficiency by separate contract or with its own resources at the expense of Contractor.

Waiver

No delay or omission by either party to this agreement in exercising any right, power, or remedy hereunder or otherwise afforded by contract, at law, or in equity shall constitute an acquiescence therein, impair any other right, power or remedy hereunder or otherwise afforded by any means, or operate as a waiver of such right, power, or remedy. No waiver by either party to this agreement shall be valid unless set forth in writing by the party making said waiver. No waiver of or modification to any term or condition of this agreement will void, waive, or change any other term or condition. No waiver by one party to this agreement of a default by the other party will imply, be construed as or require waiver of future or other defaults.
