Annual Report Fiscal Year Ending June 30, 2010

EFFECTIVE JULY 1, 2010

According to the provisions of Senate Bill 2712, 2009 Regular Session of the Legislature, the Mississippi Tax Commission was reorganized. The agency became the Mississippi Department of Revenue and an independent Board of Tax Appeals was created.

The Board of Tax Appeals hears cases from taxpayers who do not agree with actions or decisions of the agency. The Chairman of the new Board of Tax Appeals was appointed by the Governor. The other two members were the Associate Commissioners of the Tax Commission and they are completing their terms under the Board of Tax Appeals. The Governor will appoint new members for the Board of Tax Appeals as their terms expire. The former Commission Secretary is the Executive Director for the Board of Tax Appeals.

The executive director or head of the Department of Revenue is referred to as the Commissioner of Revenue. The Governor appoints the Commissioner of Revenue for a six year term. The Mississippi Department of Revenue is responsible for the same functions as the State Tax Commission: collecting taxes, enforcing alcohol laws and ensuring property values are equalized throughout the state. The Review Board continues within the Department of Revenue as the taxpayer's first level of appeal. Taxpayers in disagreement with orders of the Review Board appeal those decisions to the independent Board of Tax Appeals.

Mississippi Department of Revenue

Mission Statement

The fundamental mission of the Mississippi Department of Revenue is to be the mechanism through which the citizens of the State of Mississippi fund their public services.

Vision Statement

To efficiently and effectively accomplish the mission with integrity while demonstrating courtesy toward those we serve.

The Department of Revenue is responsible for the majority of revenue-generating activities for the State. Responsibilities include taxation, licensing and registration, wholesaling of alcoholic beverages, and statewide property appraisal, and administering motor vehicle and title laws.

Revenue-generating activities account for over six billion dollars in revenue to the state each year, millions of which go to other governmental entities, and are the primary vehicle for the funding of state services provided to the citizenry of Mississippi. Services include police and fire protection, road construction and maintenance, schools and universities, public assistance and others.

All of these services to the public, and many others, receive their operation funds as a result of the Department of Revenue's activities. It is in this manner the Department of Revenue is the vehicle through which the citizenry of the state receive the public services they have come to know and count on. The role the Department of Revenue plays in ensuring the ongoing activity of the state is vital.

MISSISSIPPI DEPARTMENT OF REVENUE AGENCY STRUCTURE

The Mississippi State Tax Commission was reorganized effective July 1, 2010 and the tax collection agency for Mississippi is now known as the Mississippi Department of Revenue. The Mississippi Department of Revenue is led by the Commissioner of Revenue who is appointed by the Governor. The Commissioner is assisted by the Deputy Commissioner and the Director of Communications. An independent Board of Tax Appeals was created in the reorganization. A Chairman of the Board was appointed and the two former Associate Commissioners of the State Tax Commission are now part of the Board of Tax Appeals. The Chairman and Associate Commissioners meet for the purpose of hearing appeals made on Board of Review rulings.

Department of Revenue is statutorily responsible for the majority of revenue generating activities for the State. The major functional areas of the Commission are taxation, licensing and registration, and controlling alcohol beverages. These functions are performed through the collaboration of seven offices: the Office of Administrative Services, the Office of Information Technologies, the Office of Alcoholic Beverage Control, the Office of Audit and Compliance, the Office of Tax Policy and Economic Development, the Office of Property Tax, and the Office of Tax Administration. These offices are supported by the Board of Review, the Legal Division, and the Human Resources Division.

In addition to the collection of taxes and fees, the Department of Revenue calculates diversions to the counties, municipalities and special funds as provided by law. The Department of Revenue interacts with the United States Internal Revenue Service with regard to income taxes, and with other states as necessary.

The **OFFICE OF ADMINISTRATIVE SERVICES** is responsible for providing administrative and

support services for the Department of Revenue as well as accounting for the State's tax revenue. This support includes Accounting, Processing, Purchasing and the Print Shop.

The **Accounting Bureau** is responsible for administration of the agency's budget, the Department of Revenue assets, employee payroll information, employee benefits, deposit and reconciliation of tax collections, recording and refunding cash bonds, tax diversions and statistical reporting.

The *Processing Bureau* is responsible for the front-end processing of over \$6 billion in tax revenue generated by tax returns and documents. This Bureau accomplishes that by insuring that returns and payments received by the Department of Revenue are properly recorded and deposited. This efficient processing of tax returns and payments is critical to the timely collection and deposit of tax revenue.

The **Purchasing Division** promotes the objectives of the Department of Revenue by providing necessary supplies, equipment, and services. This Division, centralized under the Office of Administrative Services, utilizes an approved purchasing process to obtain goods and services, of the best quality, at the lowest price, from the right source, and in a timely and organized manner. The Purchasing Division is also responsible for facilities maintenance and security at the main office location.

The **Print Shop Division** is responsible for the bulk of printing requirements for the agency. The printing includes tax forms for about sixty different tax types involving 600-700 different forms, agency law and regulation books, forms for internal use, manuals, Alcohol Beverage Control price books, assessment logs, and the agency newsletter. Additionally, it serves as the agency's distribution center for tax forms, law updates and informational letters to taxpayers, tax practitioners, libraries,

businesses, and Department of Revenue district offices. All incoming and outgoing mail is transported from and to the U.S. Post Office via Print Shop personnel.

The **OFFICE OF INFORMATION TECHNOLOGIES** is responsible for all aspects of computing within the Department of Revenue. It is currently structured around two organizational units. The first of these, *Infrastructure and Support*, is responsible for providing and maintaining hardware and existing operating software to support the business operations of the Department of Revenue. This includes teams to provide application support, support of Title Registration Information Systems, support of Alcohol Beverage Control Information Systems, network services, computer operations, and electronic interfaces.

The second unit, **Systems Delivery**, is responsible for systems analysis, development, testing, and deployment of all new application systems in support of the Department of Revenue business operations. This includes teams to do GUI (Graphical User Interface) development, business logic development, persistence development, core services development, data resources management, legacy systems, documentation, and quality management

The **OFFICE OF ALCOHOLIC BEVERAGE CONTROL** has three main responsibilities: licensing alcoholic beverage retailers, distributing alcoholic beverages of over 5% alcohol by weight to over 1,600 retail outlets, and enforcing alcohol beverage laws and certain laws regulating beer.

In order to meet its responsibilities, the Office of Alcohol Beverage Control (ABC) is organized into four functional areas. Accounting and Ordering Processing Division, Bureau of Enforcement, Purchasing Division, and Warehouse Bureau.

The Accounting & Order Processing Division has two primary functions. The first is to receive and process orders from licensed retailers through the internet, telephone call-in, walk-in, mail and

facsimile. The second function is collection and distribution of money for the state. This includes preparing invoices to vendors, collecting sales tax, excise tax, and the 27.5% mark-up on sales.

The Bureau of Enforcement consists of two interrelated groups: Enforcement and the Permit Branch. Enforcement is staffed by state certified law enforcement officers. Organized into districts located throughout the state. Enforcement Agents are tasked with enforcement of the Local Option ABC laws, certain laws regulating beer, and regulation of licensed businesses. By statute, ABC Enforcement Agents are directed to vigorously enforce Mississippi's prohibition laws. The Permit Branch processes all applications for licensing and, once permits are issued, performs all on-going maintenance to the permit status, bonds and renewals.

The **Purchasing Division** of ABC is responsible for the registration of vendors and their products, producing the quarterly Price Book, Premium Wines and Spirits List and special orders. Purchasing oversees liquor shipments into the Warehouse and provides inventory control. Annually, the ABC imports, stores, and sells 2.7 million cases of spirits and wines--- almost 4,500 brands and sizes of beverage alcohol.

The *Warehouse Bureau* stores the alcoholic beverage inventory sold by the Department of Revenue, and fills and ships orders daily to licensed retailers. Average weekly shipments total 50,835 cases. Inventory stored at the Liquor Distribution Center in Gluckstadt averages 400,000 cases daily.

The OFFICE OF AUDIT AND COMPLIANCE is responsible for performing audits of businesses and individuals in the field, directing compliance activities, and assisting businesses in applying for required permits, licenses, and registrations. The Office of Audit and Compliance is headquartered at the central office of the agency and has district offices located throughout the State. Its mission is to obtain voluntary taxpayer compliance with Mississippi's tax laws and regulations. Its objective is to educate Mississippi taxpayers as to what taxes are owed and to monitor the Department of

Revenue's tax systems to determine if the taxpayer is correctly reporting taxes owed.

The Office of Audit and Compliance consists of eight district service offices that serve all Mississippi counties. The district locations are Biloxi, Brookhaven, Greenwood, Hattiesburg, Jackson, Meridian, Senatobia, and Tupelo.

The *Collection Bureau* of the Office of Audit and Compliance is designed primarily to assist the district revenue officers in the statewide collection of delinquent taxes. The Collection Bureau personnel assist the revenue officers in filing tax liens, issuing tax warrants, issuing tax levies, and maintaining records of these liens, warrants, and levies. Together with the district revenue officers, the Collection Bureau helps maintain an outstanding tax receivable balance that is one of the lowest in the nation.

The OFFICE OF TAX POLICY AND ECONOMIC DEVELOPMENT is responsible for coordinating the handling of policy issues, letter rulings and declaratory opinions as outlined in the Administrative Procedures Act, performing tax and revenue research for the gubernatorial and legislative bodies, and monitoring economic development incentives and issues.

The **OFFICE OF PROPERTY TAX** is responsible for monitoring property values throughout the state, investigating the work product and appraisal methods adopted by the local governing authorities in order for the Department of Revenue to equalize the valuation of property throughout the state, issuing motor vehicle titles and administering motor vehicle privilege laws and fees.

The *Valuation and Exemption Bureau* prepares assessments of public utilities, private rail cars, mobile homes, motor vehicles for Department of Revenue consideration, and authorizes industrial tax exemptions. The **Homestead Branch** is responsible for reimbursing taxing units of local governing authorities for losses due to the granting of homestead exemption.

The **Property Assessment Bureau** ensures consistent appraisal and valuation equalization of properties among the municipalities and counties of the State (taxes on real and personal property are collected at the local level, rather than through the Department of Revenue.)

The *Motor Vehicle Licensing Bureau* administers tax laws and fees imposed for use of roads and highways within the state of Mississippi, motor vehicle registration, motor vehicle dealer registration, and intrastate trucking. The Bureau issues tags and tag decals to the 82 counties.

The **Title Bureau** administers the Mississippi Motor Vehicle Title Laws. The Title Bureau's mission is to issue certificates of title for motor vehicles in this state, including specific data identifying the motor vehicle, the owner(s), and any lien holders. Approximately 800,000 titles are issued annually. Accomplishing this involves providing direct services to the public in person, by telephone and in written form.

The OFFICE OF TAX ADMINISTRATION is responsible for administering taxes imposed by the State of Mississippi. In addition, personnel perform registration functions related to taxation, registration and licensing of businesses and is responsible for electronic filing and tax form designs. Bureaus, divisions and branches within the Office of Tax Administration are identified below.

The **Registration Branch** reports directly to the Office Director and is responsible for the main switchboard of the Department of Revenue. Along with answering the telephones, the branch registers all new businesses for sales, use, withholding, corporate, some petroleum, and various other taxes.

The *Income Tax Bureau* administers tax laws relating to Individual Income, Corporations, and Withholding. They are responsible for developing tax forms as well as the procedures and guidelines for processing these returns, the administration of taxpayer accounts, and communication with both taxpayers and other income tax collecting entities.

The **Petroleum Tax Bureau** administers tax laws relating to gasoline, special fuels, lubricating oil, compressed gas, natural gas, the International Fuel Tax Agreement and the International Registration Plan for Mississippi-based interstate trucking firms. Taxpayers include petroleum product distributors, interstate motor carriers, railroads, pipeline companies, and others.

The Sales & Use Tax Bureau is responsible for administering the sales and use tax laws, special county and city levies, and numerous other miscellaneous special taxes. In addition, the Bureau is responsible for issuing opinions on sales and use tax concerns, handling taxpaver inquiries and calls, issuing Contractors' Material Purchase processing monthly Certificates. diversions. reviewing of post audit returns, levying additional assessments against taxpayers based on review of returns and providing requested statistical data to Legislators.

The *Miscellaneous Tax Bureau* is responsible for the administration and collection of various taxes, along with the issuance of licenses, and regulatory oversight for certain business activities.

- Privilege Taxes (insurance premium, gaming, finance company and statewide privilege for public utilities)
- Excise taxes (beer, tobacco)
- Severance Taxes (oil, gas, timber)
- Other taxes designated for special funds (hazardous waste, non-hazardous waste, public utility regulatory, municipal gas regulatory, railroad regulation, and 911 emergency telecommunications).

The BOARD OF REVIEW is composed of qualified employees of the Department of Revenue appointed by the Commissioner of Revenue. Taxpayers who are in disagreement with actions of the agency may apply in writing to the Board of Review for a hearing. The Board of Review hears the issues presented according to the law, the facts, and within guidelines set by the Commissioner, and notifies the taxpayer of its determination.

The DIVISION LEGAL provides legal representation and advice to the Department of Revenue. By and through its attorneys, the Division represents the Department of Revenue in Court cases and before various administrative bodies in actions filed by and against the Department of Revenue. Such suits primarily consist of appeals by taxpayers requesting a judicial review of the decision of the Department of Revenue on a tax matter, but also can include appeals on ABC matters, proceedings in bankruptcy court, suits to enjoin the illegal operation of a taxpayer, and appeals of personnel actions. In addition to representing the Department of Revenue in Court, the Legal Division provides legal advice to the Department of Revenue and its employees on issues arising from the operation of the Department of Revenue.

^{*} For fiscal year 2010, statistical data was compiled using a new process that more accurately reflects the tax collected during the period and the number of active taxpayers. This change may create some inconsistencies from the prior year's data. In some cases, a negative amount may appear in the compiled data. This is due to adjustments made for tax reported incorrectly in a prior period and does correctly reflect the tax collected for the related industry, city and/or county for fiscal year 2010.
