

**Chapter 01 Access to Mississippi Automated Registration Vehicle Information Network  
(MARVIN)**

- 100 The Department of Revenue is authorized to discontinue a county's access to the automated statewide title registration system when there is a misuse or unauthorized access to the system. The Department will allow the county sixty (60) days to correct a compliance issue before the county's access to the system is discontinued. In the event of a probable security threat, the Department will terminate access to the statewide title registration system immediately, but will only do so after communication with the county office.
