## Fleet Vehicle Listing

Attach to this application a listing of all vehicles to be included in the fleet. This listing must include the County of Registration, VIN, Title Number and the Current Tag Number.

You may use Form 76-121, Fleet Vehicle Listing, which is attached or you may attach your own form as long as the information above is shown.

## Additions to Fleet

If adding a vehicle to an existing fleet, submit an application with the ADDITION application marked. The fleet vehicle listing detailing the addition to the fleet must be attached. This must be done prior to county registration of the vehicle. Notice will be sent to the registration county upon application being filed.

## Deletions to Fleet

If deleting a vehicle to an existing fleet, submit an application with the DELETION application marked. The fleet vehicle listing detailing the deletion from the fleet must be attached. The fleet tag and registration card must be surrendered to the county of registration.
