Exploring Icons of Mississippi

Our Position, Heritage, Values and Authority as a State

State emblems are official symbols used to represent a state's heritage, identity, and authority. They serve to promote a sense of unity, are used on official documents, and can represent a state's unique natural resources, cultural achievements, and history.

Mississippi's State Seal has been in use since Mississippi became a state in 1817. In 2014, the legislature passed a law adding "*In God We Trust*."

Mississippi's Coat of Arms was designed and made official by the 1894 State Legislature. However, its official status was lost in the 1906 code revision. It wasn't officially re-adopted by the legislature until 2001 after the Mississippi Supreme Court ruled that the state lacked an official coat of arms, and Mississippi Governor Ronnie Musgrove signed Senate Bill No. 2285 designating it as such.

Mississippi's State Flag was updated and approved by voters in 2020 after a Commission to redesign it placed an open call for designs through the Mississippi Department of Archives and History. More than 2,000 designs were submitted. "The New Magnolia" flag was chosen and approved on November 3, 2020. It was officially adopted into law in 2021. The flag showcases our state flower and is surrounded by 20 white stars representing our position as the 20th state to join the Union. The uppermost star, which is gold and split into five diamonds, is a nod to the indigenous peoples who call this region home.

Letter from the Commissioner

— DEPARTMENT OF — **REVENUE** — STATE OF MISSISSIPPI —

Dear Governor, Legislature and Residents of Mississippi,

The Department of Revenue is pleased to present the Annual Report for Fiscal Year 2025. Our core mission—accurately collecting and fairly administering the revenue that funds Mississippi's essential public services—guided our work throughout the year.

Thanks to the dedication of our employees, we are proud to report that total revenue collections exceeded \$11 billion for Fiscal Year 2025. These collections, derived from activities including taxation, licensing and registration, and wholesaling of alcoholic beverages, serve as the primary source of funding for state and local government. Additionally, the Department of Revenue accounted for 94.6% of the total funds directed to the State General Fund, underscoring our vital role in supporting Mississippi's core operational budget.

Our work demands the highest level of accountability, and we remain committed to maintaining public confidence in government. We are responsible for the comprehensive administration of ad valorem, tax, motor vehicle, and local option laws. Our responsibilities also include regulating alcoholic beverages and serving as the licensing and enforcement agency for medical cannabis dispensaries.

Guided by the values of integrity and continuous improvement, we are focused on becoming the most efficient agency in the state. This goal requires an ongoing commitment to modernizing our processes and technology platforms to ensure secure, timely, and reliable services for all Mississippians.

Thank you for your continued support as we work to advance the welfare and success of the State of Mississippi. It is my pleasure to present this Annual Report, which provides an essential overview and statistical summary for the fiscal year ending June 30, 2025.

Sincerely,

A handwritten signature in black ink, appearing to read 'Chris Graham', is written in a cursive style.

Chris Graham
Commissioner of Revenue

Sales Tax Supports the General Fund, Education, Municipalities, and Special Funds

All sales of tangible personal property in the State of Mississippi are subject to the regular retail trade rate of sales tax (7%) unless law exempts the item or provides a reduced rate of tax for an item. The tax is based on gross proceeds of sales or gross income, depending on the type of business. Additionally, many services are subject to sales tax. Installation labor is taxable when connected to the sale of tangible personal property.

Each month, the DOR distributes and transfers the sales tax collected during the prior month to various Treasury Funds. The State General Fund receives the largest portion; however, Sales Tax is also an important revenue source for Municipal Governments and for Education in our state. Money transferred to the Motor Vehicle Ad Valorem Reduction Fund is used to reimburse the counties for the credit on motor vehicle license plates annually provided to each vehicle owner.

Transfer to Cities and Counties from Special Tax Collections

Most Special Taxes are imposed on the gross receipts of hotels, motels, restaurants and/or bars within certain cities or counties; however, the cities of Jackson and Tupelo impose a tax on retail sales and services subject to the general rate of state sales tax with certain exceptions. Revenues are dedicated to certain purposes as authorized by the enacting legislation and the tax rates vary by location. All special taxes are in addition to the regular Sales Tax. More information about these taxes can be found by visiting our website.

Exploring Icons of Mississippi

Symbols Adopted and Beloved by our State

State Capitol Building

Designated as a Mississippi landmark in 1986 and a National Historic Landmark in 2016, the Mississippi State Capitol building is a symbol that has been the seat of our state government since 1903. The current State Capitol building is the third capitol constructed in Jackson. The first was completed in 1822 and no longer stands. The second was completed in 1839, and today is the Old Capitol Museum.

State Flower and Tree: Magnolia

In the early 1900s, school children voted for the state flower and tree with the majestic magnolia winning by a landslide. In 1938, the state legislature officially adopted the magnolia as the state tree, and in 1952, it was officially adopted as the state flower.

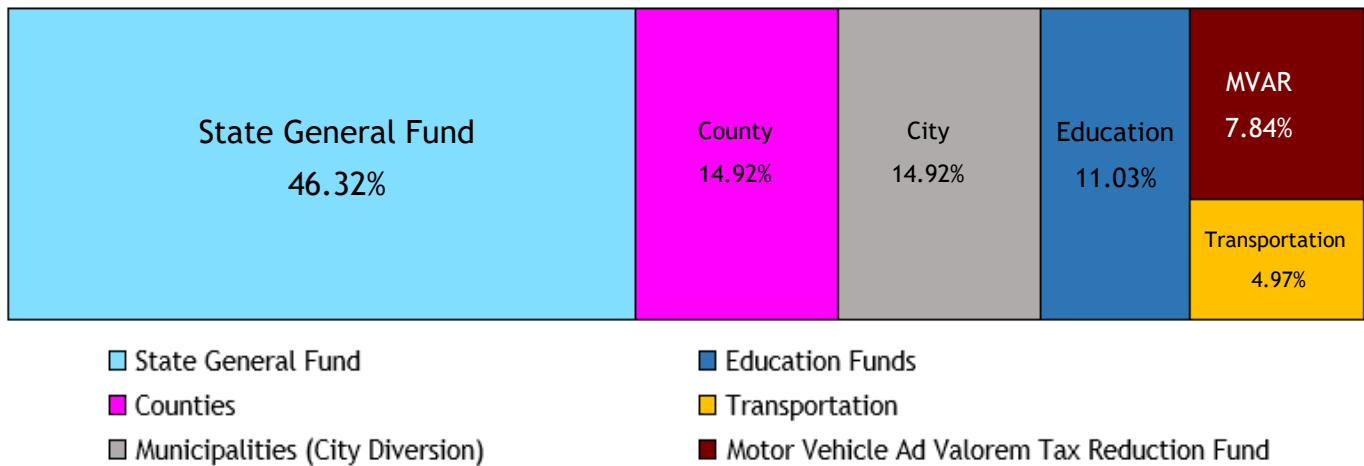

Use Tax Supports the General Fund, Education, Municipalities, and Special Funds

All purchases of tangible personal property and specified digital products purchased outside of Mississippi and used, stored or consumed in the state are subject to use tax. Use tax is due at the same rates as sales tax.

Each month, the DOR distributes and transfers the use tax collected during the prior month to various Treasury Funds with the exception of the municipal and county distribution. Highlighted in this section are the diversions to municipalities and counties pursuant to the Mississippi Infrastructure Modernization Act of 2018 which is diverted monthly to special funds for cities and counties. These special funds are then disbursed bi-annually in July and January of each fiscal year. The bi-annually disbursed funds are from use tax collections diverted to the funds and accumulated fund interest.

Exploring Icons of Mississippi

Symbols Adopted and Beloved by our State

State Bird: Mockingbird

Found in all sections of Mississippi, the mockingbird was named the official state bird of Mississippi on February 23, 1944. This was after a campaign by the Mississippi Federation of Women's Clubs led to the selection, and their lobbying was successful in getting the state legislature to pass the bill.

State Land Mammal: Red Fox

Boasting long, rusty-red fur and a white-tipped tail, the red fox is Mississippi's official land mammal alongside the white-tailed deer. The red fox was officially designated as our state mammal in 1997.

Income Taxes Support the State General Fund

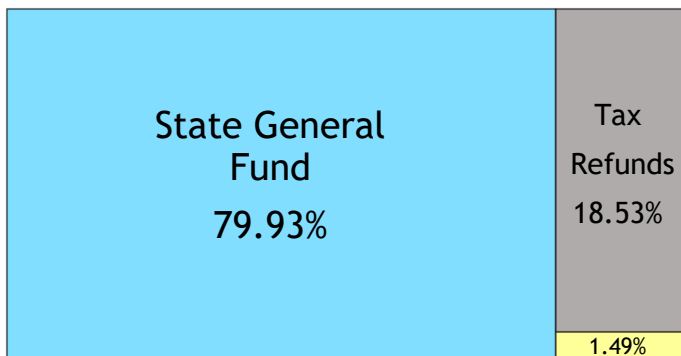

Mississippi enacted the state's first income tax in 1912. At that time, the tax rate was ½ of 1% imposed on all net income in excess of \$2,500. Over 100 years later, the laws have been amended numerous times providing exemptions, deductions, exclusions, inclusions and various filing status classifications. Income tax is imposed on the net taxable income of individuals, corporations, estates and trusts.

The chart below provides the amounts transferred to the State's General Fund and which revenues are utilized by other agencies to provide services to the citizens of Mississippi, such as education and public safety.

Medical Cannabis

The Department of Revenue collects a five percent (5%) excise tax on medical cannabis cultivation facilities. The excise tax shall be based on the sales price for which a cannabis cultivation facility sells cannabis flower or trim to a medical cannabis establishment.

The Department is also responsible for licensing, inspection and oversight of medical cannabis dispensaries which includes collection of license fees.

Cannabis retail sales are in sales tax collections and follow respective sales tax law.

ABC Collections and Transfers

The Mississippi Alcoholic Beverage Control (ABC) was created for the purpose of enforcing the liquor laws and for the distribution of alcohol products in this state. Along with 17 other states, Mississippi is a control state meaning it exercises complete control over the wholesale distribution of alcoholic beverages. All legal alcohol entering Mississippi from manufacturers must be shipped directly to the ABC's Liquor Distribution Center from which ABC sells the products to licensed retailers for ultimate sale to the public.

An alcoholic beverage is either a distilled spirit or a wine product that contains more than 6% alcohol by weight. Beer and light wine products are not included and are not distributed by the ABC. The excise tax on sparkling wine and champagne is \$1.00 per gallon, other wines are .35 cents per gallon, and distilled spirits are \$2.50 per gallon. Additionally, all alcoholic beverage products are subject to an additional 27½% markup on the wholesale purchase of alcoholic beverages. A permit is required to sell alcohol in this state.

The below collections result from the operations of the Liquor Distribution Center and the licensing of retail businesses.

Wet/Dry Map for ABC Permits and Beer Permits

Patchwork of Laws and Regulations in Mississippi

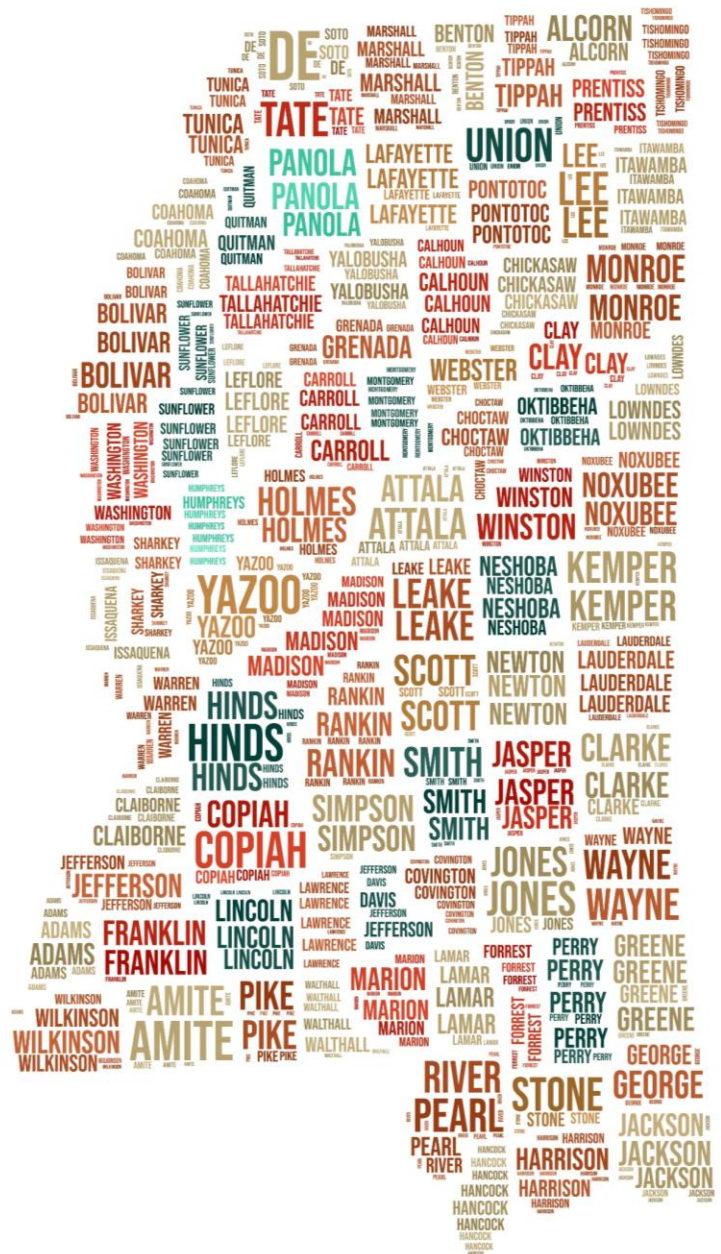

ABC Enforcement is responsible for maintaining fair and equitable enforcement of the Local Option laws, prohibition laws, and state beer laws.

Mississippi was the first state to enact statewide Prohibition in 1907 and the last to repeal it in 1966. Due to a strong temperance movement rooted in the 19th century, the state initially passed local option laws before its statewide ban took effect in 1908.

Even after the national repeal of Prohibition, many areas in Mississippi remained dry. Over the years, laws have passed for various wet counties, municipalities and tourist areas creating a patchwork of local regulations with some counties still banning alcohol sales. In addition to wet counties and municipalities, there are also a number of wet areas within certain dry counties.

A Wet-Dry map for both Alcoholic Beverages (Distilled Spirits and Wine) and Beer, Light Wine, and Light Spirits can be found on the Mississippi Department of Revenue website at www.dor.ms.gov under ABC, ABC Enforcement. Here is a direct link to the map: <https://www.dor.ms.gov/abc/abc-enforcement/wetdry-map>.

Section 27-5-101 sets forth the distribution of the taxes to the counties from gasoline and special fuels. The counties share is derived from the “base” rate of tax. For gasoline, the base tax is the first 7 cents per gallon, and for un-dyed diesel, the base rate is the first 10 cents per gallon. After specified transfers are made from the base tax collections, 5/14ths of the remainder is distributed to the counties. The law provides that a portion of the counties share is shared with the municipalities within that county.

The following is the distribution of 5/14ths between the counties:

1. Pay each county \$190,000 annually. The municipalities share is paid from the \$190,000 and is paid from the municipal aid fund.
2. Annually, the remainder is divided according to the following formula (This split is listed as “surplus” in the above chart):
 - 1/3 share split evenly among all the counties;
 - 1/3 share split based upon the population of each county;
 - 1/3 share split based on the square miles of each county.

The 9/14ths share provides a monthly transfer of \$83,333.33 to the Municipal Aid Fund; 50% of the tax on gasoline collected in the three coastal counties is returned to those counties for Road Protection; amounts specified to retire the bond sinking funds; and the remainder for the benefit of the State Highway Fund.

The additional tax is **11 cents** a gallon on gas and **8 cents a gallon** on diesel. The amount of tax collections from the first 2 cents per gallon of the additional tax is used exclusively for the construction, reconstruction and maintenance of highways or the payment of interest and principal on bonds. Of the remaining additional tax:

- 23 1/4% is for the State Aid Road Fund
- The remainder to the State Highway Fund

Quantities and Taxes Collected by Fuel Type

All motor fuels including gasoline, diesel, kerosene, fuel oil, compressed gas, natural gas and lubricating oil are subject to Petroleum Excise Taxes. These taxes are collected from petroleum product distributors, interstate motor carriers, and persons using petroleum products.

The Gross Gallons, Exempt Sales, 2% Allowance, Net Taxable Gallons, Government Exemptions, and Tax Due (Total Tax) reflect the return totals for the return period. Collections reflect the total collected during the fiscal year.

---------------------------------	---------

IFTA Clearinghouse payments	\$12,019,444
-----------------------------	--------------

* Excess MS Excise Tax is used to make IFTA Clearinghouse payments.

IFTA is a compact between the 48 contiguous States, the IRS, the 10 Canadian provinces, and the federal government of Canada.

A motor carrier licensed under IFTA reports to its home state all miles traveled in all jurisdictions, total fuel consumed, and the total fuel purchased. IFTA apportions tax collections among the states based on miles traveled and the fuel used by carriers within each state according to each state's tax rates.

The DOR collects the taxes from Mississippi based licensees on behalf of all member jurisdictions and makes a payment to IFTA for taxes collected for those jurisdictions. Likewise, the DOR receives payments from other states who collect Mississippi taxes from their licensees.

Mississippi is a payout state. That means carriers purchase more fuel in the State than they consume and why the amount "collected" is a negative. The offset to the payout is the amounts collected in the other fuel categories: Automotive, Special Fuels, Compressed Gas, and Natural Gas, Compressed Gas & Locomotive Fuels.

This section reports values for the collection month in the fiscal year and registration statistics for the respective months beginning in June preceding the fiscal year.

Exploring Icons of Mississippi

Symbols Adopted and Beloved by our State

State Butterfly: The Spicebush Swallowtail

Designated by the state legislature in 1991, it was chosen as the state butterfly due to its widespread presence in Mississippi's deciduous woods and woody swamps. Its name is derived from its primary host plant, the spicebush.

State Toy: The Teddy Bear

The teddy bear was adopted as the official state toy by the Mississippi Legislature on March 13, 2003. The designation was made in honor of the toy's origin story, which began in Mississippi during a 1902 hunting trip in the Delta with President Theodore Roosevelt and Mississippi's Governor Andrew H. Longino.
