REVENUE
—
STATE OF MISSISSIPPI

To the Governor, Legislature, and the People of Mississippi:

On behalf of the Mississippi Department of Revenue, I am pleased to present this Annual Report for Fiscal Year 2022 (July 1, 2021 - June 30, 2022). This report provides a general overview of collections, transfers, and statistical data for the taxes administered by the Agency.

During Fiscal Year 2022, the Department of Revenue staff remained focused on our mission which includes collecting tax revenue to support state and local government, as well as titling and registration of motor vehicles, monitoring ad valorem assessments throughout the state, enforcement of Mississippi's Prohibition and Local Option Law, and operating as the wholesale distributor of alcoholic beverages. We also worked closely with the Mississippi Department of Health in implementing the requirements of the Mississippi Medical Cannabis Act which the Legislature enacted in the 2022 Legislative Session. I want to share my deep appreciation for the employees of the Department of Revenue, our colleagues throughout state and local government, and the taxpayers that we serve.

The Department of Revenue collected a record \$10.4 billion in Fiscal Year 2022, a 9.4% increase from the \$9.5 billion collected during Fiscal Year 2021. Building on the last two fiscal years, the Mississippi economy performed exceptionally well in Fiscal Year 2022. The Department of Revenue accounted for 97.4% of the total collections for the State General Fund in Fiscal Year 2022. The many accomplishments highlighted in this Annual Report are a testament to the Department of Revenue's hard-working team members.

We hope this Annual Report provides you with helpful information and that you will see how the Department of Revenue performs our statutory responsibilities for the citizens and taxpayers of the State of Mississippi. Thank you for the support you continue to provide.

Sincerely,

Chris Graham
Commissioner of Revenue

We are pleased to present service awards to recognize our Employees of the Month and Employee of the Year. Also, with equal celebration we recognized employees for reaching years of service milestones.

Employee of the Year

LaTasha Evans

LaTasha Evans was announced as DOR’s Employee of the Year at the 2022 Service Awards. She serves as a Team Lead in the Human Resources Department for the Agency. LaTasha has gone above and beyond to ensure the Alcoholic Beverage Control (ABC) Warehouse vacancies are filled by assisting with the organization of a career fair. LaTasha is responsible for coordinating with another agency, screening potential candidates for hire, assisted with document completion, and educating candidates on how to be a successful employee. LaTasha excelled in working with ABC management and has helped to change the morale of the staff through her business practices. LaTasha is highly dedicated to the work she does and has a passion for placing personnel in positions that will benefit both themselves and the Agency.

In addition to her dedication to the ABC Warehouse, she continued to maintain her many duties with HR including: onboarding, offboarding, and performance review for numerous departments within the agency. She has demonstrated a willingness to report to departments within a moment’s notice to facilitate their needs. To increase the quality and tenure of the labor, she provides a personal and professional approach to assessing the needs of the current labor team and new hires. Lamar Wilson, her supervisor commented; “LaTasha is an employee who needs little direction. Whenever she sees a need to correct an action or fill a vacancy, LaTasha is usually one step ahead of the task.”

Her initiative and ability to make decisions that are in the best interest of the Agency serve as a great example of the qualities that define an Employee of the Year. LaTasha is an asset to both the Department of Revenue and the taxpayers of the State of Mississippi.

Sales Tax Supports the General Fund, Education, Municipalities, and Special Funds

All sales of tangible personal property in the State of Mississippi are subject to the regular retail trade rate of sales tax (7%) unless law exempts the item or provides a reduced rate of tax for an item. The tax is based on gross proceeds of sales or gross income, depending on the type of business. Additionally, many services are subject to sales tax. Installation labor is taxable when connected to the sale of tangible personal property.

Each month, the DOR distributes and transfers the sales tax collected during the prior month to various Treasury Funds. The State General Fund receives the largest portion; however, Sales Tax is also an important revenue source for Municipal Governments and for Education in our state. Money transferred to the Motor Vehicle Ad Valorem Reduction Fund is used to reimburse the counties for the credit on motor vehicle license plates annually provided to each vehicle owner.

Transfer to Cities and Counties from Special Tax Collections

Most Special Taxes are imposed on the gross receipts of hotels, motels, restaurants and/or bars within certain cities or counties; however, the cities of Jackson and Tupelo impose a tax on retail sales and services subject to the general rate of state sales tax with certain exceptions. Revenues are dedicated to certain purposes as authorized by the enacting legislation and the tax rates vary by location. All special taxes are in addition to the regular Sales Tax. More information about these taxes can be found by visiting our website.

Use Tax

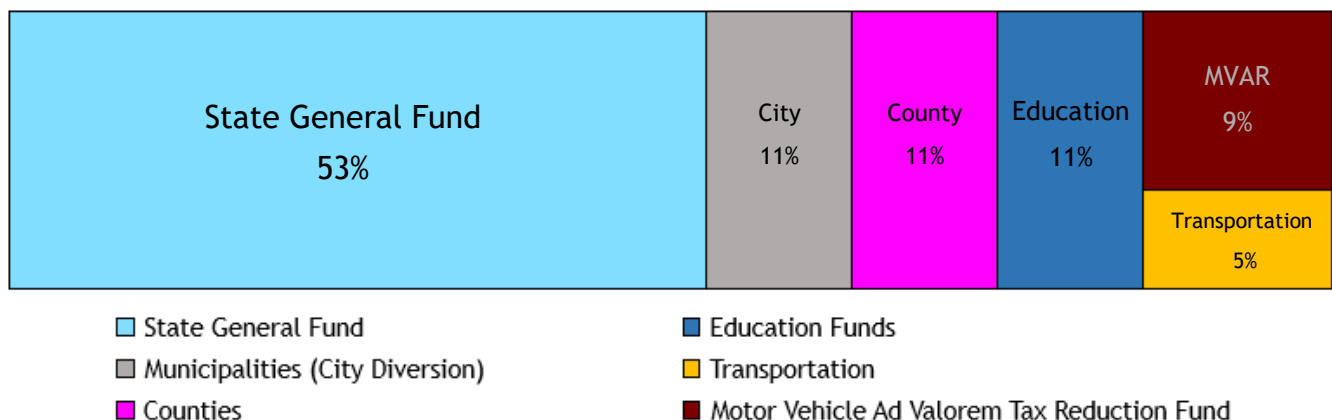

Use Tax Summary	page 87
Diversions to Municipalities & Counties	page 88

Use Tax Supports the General Fund, Education, Municipalities, and Special Funds

All purchases of tangible personal property and specified digital products purchased outside of Mississippi and used, stored or consumed in the state are subject to use tax. Use tax is due at the same rates as sales tax.

Each month, the DOR distributes and transfers the use tax collected during the prior month to various Treasury Funds with the exception of the municipal and county distribution. Highlighted in this section is the diversion to municipalities and counties pursuant to the Mississippi Infrastructure Modernization Act of 2018 which is diverted monthly to special funds for cities and counties. The special funds are then disbursed bi-annually in July and January of each fiscal year. The bi-annually disbursed funds are from use tax collections diverted to the funds and accumulated fund interest.

Income Taxes Support the State General Fund

Mississippi enacted the state's first income tax in 1912. At that time, the tax rate was ½ of 1% imposed on all net income in excess of \$2,500. Over 100 years later, the laws have been amended numerous times providing exemptions, deductions, exclusions, inclusions and various filing status classifications. Income tax is imposed on the net taxable income of individuals, corporations, estates and trusts.

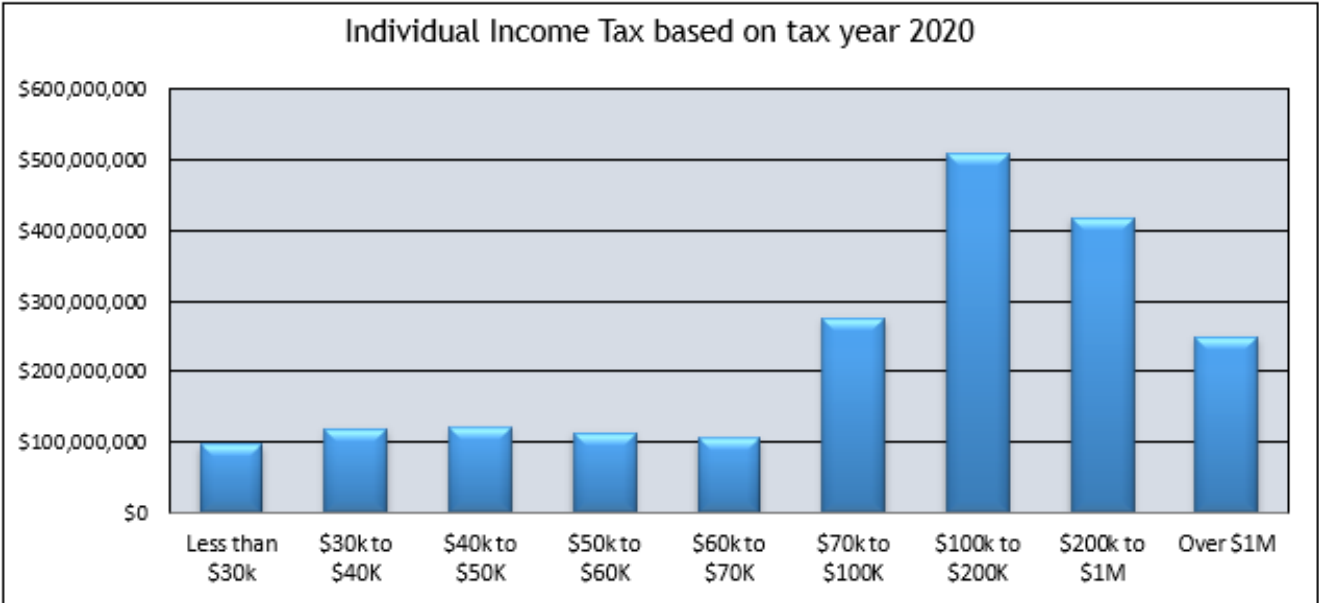

The chart below provides the amounts transferred to the State's General Fund and which revenues are utilized by other agencies to provide services to the citizens of Mississippi, such as education and public safety.

ABC Collections and Transfers

The Mississippi Alcoholic Beverage Control was created for the purpose of enforcing the liquor laws and for the distribution of alcohol products in this state. Along with 17 other states, Mississippi is a control state meaning it exercises complete control over the wholesale distribution of alcoholic beverages. All legal alcohol entering Mississippi from manufacturers must be shipped directly to the ABC's Liquor Distribution Center from which ABC sells the products to licensed retailers for ultimate sale to the public.

An alcoholic beverage is either a distilled spirit or a wine product that contains more than 5% alcohol by weight. Beer and light wine products are not included and are not distributed by the ABC. The excise tax on sparkling wine and champagne is \$1.00 per gallon, other wines are 35 cents per gallon, and distilled spirits are \$2.50 per gallon. Additionally, all alcoholic beverage products are subject to an additional 27½% markup on the wholesale purchase of alcoholic beverages. A permit is required to sell alcohol in this state.

The below collections result from the operations of the Liquor Distribution Center and the licensing of retail businesses.

This schedule is based on month of collection.

Section 27-5-101 sets forth the distribution of the taxes to the counties from gasoline and special fuels. The counties share is derived from the “base” rate of tax. For gasoline, the base tax is the first 7 cents per gallon, and for un-dyed diesel, the base rate is the first 10 cents per gallon. After specified transfers are made from the base tax collections, 5/14ths of the remainder is distributed to the counties. The law provides that a portion of the counties share is shared with the municipalities within that county.

The following is the distribution of 5/14ths between the counties:

1. Pay each county \$190,000 annually. The municipalities share is paid from the \$190,000 and is paid from the municipal aid fund.
2. Annually, the remainder is divided according to the following formula (This split is listed as “surplus” in the above chart):
 - 1/3 share split evenly among all the counties;
 - 1/3 share split based upon the population of each county;
 - 1/3 share split based on the square miles of each county.

The 9/14ths share provides a monthly transfer of \$83,333.33 to the Municipal Aid Fund; 50% of the tax on gasoline collected in the three coastal counties is returned to those counties for Road Protection; amounts specified to retire the bond sinking funds; and the remainder for the benefit of the State Highway Fund.

The additional tax is **11 cents** a gallon on gas and **8 cents a gallon** on diesel. The amount of tax collections from the first 2 cents per gallon of the additional tax is used exclusively for the construction, reconstruction and maintenance of highways or the payment of interest and principal on bonds. Of the remaining additional tax:

- 23 1/4% is for the State Aid Road Fund

International Fuel Tax Agreement (IFTA)

Fiscal Year 2022

Mississippi Fuel Purchases by Mississippi Based Carriers	A - Taxable Fuel (Gallons used in MS)	B - Tax Paid Fuel (Gallons purchased in MS)	Net Tax Fuel Gallons (A - B)	*Excess MS Excise Tax (interest included)
Diesel / Gasoline / CNG	77,998,984	99,745,028	(21,746,044)	(\$3,904,169)

IFTA Non Clearinghouse payments	(\$341)
---------------------------------	---------

IFTA Clearinghouse payments	\$10,918,414
-----------------------------	--------------

* Excess MS Excise Tax is used to make IFTA Clearinghouse payments.

IFTA is a compact of the 48 contiguous States, the IRS, the 10 Canadian provinces, and the federal government of Canada.

A motor carrier licensed under IFTA reports to its home state all miles traveled in all jurisdictions, total fuel consumed, and the total fuel purchased. IFTA apportions tax collections among the states based on miles traveled and the fuel used by carriers within each state according to each state's tax rates.

The DOR collects the taxes from Mississippi based licensees on behalf of all member jurisdictions and makes a payment to IFTA for taxes collected for those jurisdictions. Likewise, the DOR receives payments from other states who collect Mississippi taxes from their licensees.

Mississippi is a payout state. That means carriers purchase more fuel in the State than they consume and why the amount "collected" is a negative. The offset to the payout is the amounts collected in the other fuel categories: Automotive, Special Fuels, Compressed Gas, and Natural Gas, Compressed Gas & Locomotive Fuels.

The interstate and intrastate receipts will be reported for collection months within the fiscal year, with the exception of Additional Privilege by County, will be based on transfer (disbursement) month.

Motor Vehicle Privilege Tax processing operates on a three month cycle: registration month, collection month and diversion month. This section reports values for the collection month in the fiscal year and registration statistics for the respective months beginning in June preceding the fiscal year.
