— DEPARTMENT OF —
REVENUE
—
STATE OF MISSISSIPPI

To the Governor, Legislature, and the People of Mississippi:

On behalf of the Mississippi Department of Revenue, I am pleased to present this annual report for Fiscal Year 2023 (July 1, 2022 - June 30, 2023). This report provides a general overview of collections, transfers, and statistical data for the taxes administered by the Agency.

During Fiscal Year 2023, the Department of Revenue staff remained focused on our mission which includes collecting tax revenue to support state and local government, as well as titling and registration of motor vehicles, monitoring ad valorem assessments throughout the state, enforcement of Mississippi's Prohibition and Local Option Law, operating as the wholesale distributor of alcoholic beverages, and licensing and regulating medical cannabis dispensaries. I want to share my deep appreciation for the employees of the Department of Revenue, our colleagues throughout state and local government, and the taxpayers that we serve.

The Department of Revenue collected a record \$10.8 billion in Fiscal Year 2023, up from \$10.4 billion collected during Fiscal Year 2022, and \$9.5 billion collected in Fiscal Year 2021. The Department of Revenue accounted for 96.5% of the total collections for the State General Fund in Fiscal Year 2023. The many accomplishments highlighted in this Annual Report are a testament to the Department of Revenue's hard-working team members.

We hope this Annual Report provides you with helpful information and that you will see how the Department of Revenue performs our statutory responsibilities for the citizens and taxpayers of the State of Mississippi. Thank you for the support you continue to provide.

Sincerely,

Chris Graham

Commissioner of Revenue

Employee Service Awards 2023

We are pleased to present service awards to recognize our Employees of the Month and Employee of the Year. Also, with equal celebration we recognized employees for reaching years of service milestones.

Employee of the Year

Guy Hartness

Guy Hartness was selected as DOR's Employee of the Year at the 2023 Service Awards Banquet. Guy is a graduate of Oak Grove High School and the University of Southern Mississippi. Prior to beginning his role with DOR, Guy served in a management capacity in the public sector for many years. Guy began his career with DOR as a Revenue Officer in the Gulf Coast Office in November 2014, and transferred to the Hattiesburg District Office in March 2022.

His positive attitude towards his work is certainly an inspiration to the new employees he has been assigned to train. These new employees have the privilege of training with one of the most successful Revenue Officers in our state. He is patient, understanding, effective, and most of all very knowledgeable in all aspects of becoming a successful Revenue Officer. Once their training period is completed, Guy is always available to these new agents for additional assistance and guidance. He takes many opportunities to add in a great portion of encouragement and positive feedback, as this is important to new employees taking on a new career with DOR.

Guy has only one goal in mind during a given workday, making the Office of Tax Enforcement the best team it can be. He will go beyond the call of duty to help make this goal a reality. With enthusiasm and a very positive outlook, he has accepted requests for training for several new employees. Along with working his assigned territory and the task of training new employees, he has requested/volunteered to work unassigned territories to help keep the Hattiesburg team at or above a successful level.

When asking Guy what his favorite part of his career has been, he stated that he is especially fond of the special projects that he had been assigned or had taken initiative to accomplish. He went on to say that special projects shift him into a research direction which is different from his daily tasks. Guy also shared that he has enjoyed training, as it has been a learning experience for him. Guy credits his mentors, Shon Scarbrough and Tina Warden, for recognizing his potential and allowing him to take on new challenges.

Tina Warden, Enforcement Manager of the Hattiesburg District Office, said the DOR is fortunate to have employees such as Guy. He sets the bar very high, and is a true example of dedication and professional service to taxpayers of this great state.

Congratulations Guy, and thank you for your valuable contributions to the agency!

Sales Tax Supports the General Fund, Education, Municipalities, and Special Funds

All sales of tangible personal property in the State of Mississippi are subject to the regular retail trade rate of sales tax (7%) unless law exempts the item or provides a reduced rate of tax for an item. The tax is based on gross proceeds of sales or gross income, depending on the type of business. Additionally, many services are subject to sales tax. Installation labor is taxable when connected to the sale of tangible personal property.

Each month, the DOR distributes and transfers the sales tax collected during the prior month to various Treasury Funds. The State General Fund receives the largest portion; however, Sales Tax is also an important revenue source for Municipal Governments and for Education in our state. Money transferred to the Motor Vehicle Ad Valorem Reduction Fund is used to reimburse the counties for the credit on motor vehicle license plates annually provided to each vehicle owner.

Transfer to Cities and Counties from Special Tax Collections

Most Special Taxes are imposed on the gross receipts of hotels, motels, restaurants and/or bars within certain cities or counties; however, the cities of Jackson and Tupelo impose a tax on retail sales and services subject to the general rate of state sales tax with certain exceptions. Revenues are dedicated to certain purposes as authorized by the enacting legislation and the tax rates vary by location. All special taxes are in addition to the regular Sales Tax. More information about these taxes can be found by visiting our website.

Use Tax Supports the General Fund, Education, Municipalities, and Special Funds

All purchases of tangible personal property and specified digital products purchased outside of Mississippi and used, stored or consumed in the state are subject to use tax. Use tax is due at the same rates as sales tax.

Each month, the DOR distributes and transfers the use tax collected during the prior month to various Treasury Funds with the exception of the municipal and county distribution. Highlighted in this section is the diversion to municipalities and counties pursuant to the Mississippi Infrastructure Modernization Act of 2018 which is diverted monthly to special funds for cities and counties. The special funds are then disbursed bi-annually in July and January of each fiscal year. The bi-annually disbursed funds are from use tax collections diverted to the funds and accumulated fund interest.

Income Taxes Support the State General Fund

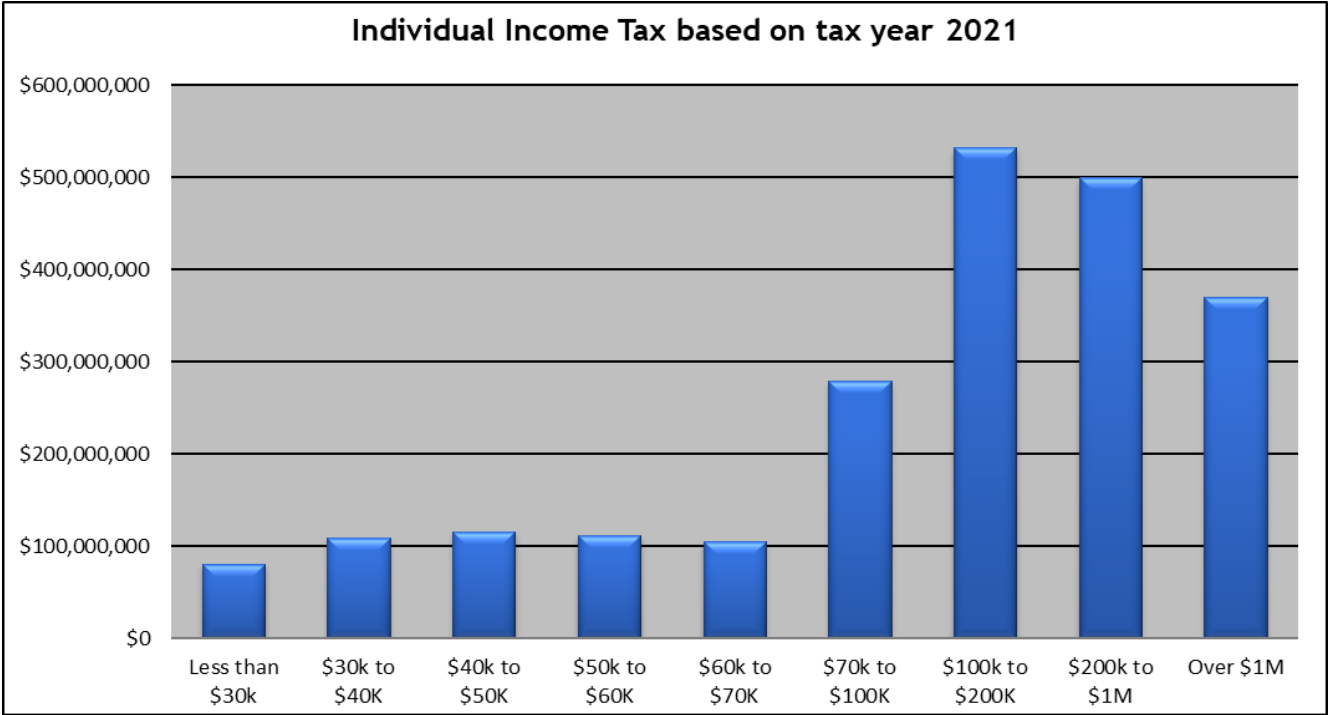

Mississippi enacted the state’s first income tax in 1912. At that time, the tax rate was ½ of 1% imposed on all net income in excess of \$2,500. Over 100 years later, the laws have been amended numerous times providing exemptions, deductions, exclusions, inclusions and various filing status classifications. Income tax is imposed on the net taxable income of individuals, corporations, estates and trusts.

The chart below provides the amounts transferred to the State’s General Fund and which revenues are utilized by other agencies to provide services to the citizens of Mississippi, such as education and public safety.

ABC Collections and Transfers

The Mississippi Alcoholic Beverage Control was created for the purpose of enforcing the liquor laws and for the distribution of alcohol products in this state. Along with 17 other states, Mississippi is a control state meaning it exercises complete control over the wholesale distribution of alcoholic beverages. All legal alcohol entering Mississippi from manufacturers must be shipped directly to the ABC's Liquor Distribution Center from which ABC sells the products to licensed retailers for ultimate sale to the public.

An alcoholic beverage is either a distilled spirit or a wine product that contains more than 5% alcohol by weight. Beer and light wine products are not included and are not distributed by the ABC. The excise tax on sparkling wine and champagne is \$1.00 per gallon, other wines are 35 cents per gallon, and distilled spirits are \$2.50 per gallon. Additionally, all alcoholic beverage products are subject to an additional 27½% markup on the wholesale purchase of alcoholic beverages. A permit is required to sell alcohol in this state.

The below collections result from the operations of the Liquor Distribution Center and the licensing of retail businesses.

This schedule is based on month of collection.

Section 27-5-101 sets forth the distribution of the taxes to the counties from gasoline and special fuels. The counties share is derived from the “base” rate of tax. For gasoline, the base tax is the first 7 cents per gallon, and for un-dyed diesel, the base rate is the first 10 cents per gallon. After specified transfers are made from the base tax collections, 5/14ths of the remainder is distributed to the counties. The law provides that a portion of the counties share is shared with the municipalities within that county.

The following is the distribution of 5/14ths between the counties:

1. Pay each county \$190,000 annually. The municipalities share is paid from the \$190,000 and is paid from the municipal aid fund.
2. Annually, the remainder is divided according to the following formula (This split is listed as “surplus” in the above chart):
 - 1/3 share split evenly among all the counties;
 - 1/3 share split based upon the population of each county;
 - 1/3 share split based on the square miles of each county.

The 9/14ths share provides a monthly transfer of \$83,333.33 to the Municipal Aid Fund; 50% of the tax on gasoline collected in the three coastal counties is returned to those counties for Road Protection; amounts specified to retire the bond sinking funds; and the remainder for the benefit of the State Highway Fund.

The additional tax is **11 cents** a gallon on gas and **8 cents a gallon** on diesel. The amount of tax collections from the first 2 cents per gallon of the additional tax is used exclusively for the construction, reconstruction and maintenance of highways or the payment of interest and principal on bonds. Of the remaining additional tax:

- 23 1/4% is for the State Aid Road Fund
- The remainder to the State Highway Fund

Quantities and Taxes Collected by Fuel Type

All motor fuels including gasoline, diesel, kerosene, fuel oil, compressed gas, natural gas and lubricating oil, are subject to Petroleum Excise Taxes. These taxes are collected from petroleum product distributors, interstate motor carriers, and persons using petroleum products.

The Gross Gallons, Exempt Sales, 2% Allowance, Net Taxable Gallons, Government Exemptions, and Tax Due (Total Tax) reflect the return totals for the return period. Collections reflects the total collected during the fiscal year.

International Fuel Tax Agreement (IFTA)

Fiscal Year 2023

Mississippi Fuel Purchases by Mississippi Based Carriers	A - Taxable Fuel (Gallons used in MS)	B - Tax Paid Fuel (Gallons purchased in MS)	Net Tax Fuel Gallons (A - B)	*Excess MS Excise Tax (interest included)

---------------------------------	---------

IFTA Clearinghouse payments	\$8,034,770
-----------------------------	-------------

* Excess MS Excise Tax is used to make IFTA Clearinghouse payments.

IFTA is a compact between the 48 contiguous States, the IRS, the 10 Canadian provinces, and the federal government of Canada.

A motor carrier licensed under IFTA reports to its home state all miles traveled in all jurisdictions, total fuel consumed, and the total fuel purchased. IFTA apportions tax collections among the states based on miles traveled and the fuel used by carriers within each state according to each state's tax rates.

The DOR collects the taxes from Mississippi based licensees on behalf of all member jurisdictions and makes a payment to IFTA for taxes collected for those jurisdictions. Likewise, the DOR receives payments from other states who collect Mississippi taxes from their licensees.

Mississippi is a payout state. That means carriers purchase more fuel in the State than they consume and why the amount "collected" is a negative. The offset to the payout is the amounts collected in the other fuel categories: Automotive, Special Fuels, Compressed Gas, and Natural Gas, Compressed Gas & Locomotive Fuels.
