

MISSISSIPPI STATE TAX COMMISSION

“Dedicated to the Public Service”

Annual Report
Fiscal Year Ending June 30, 2008

BEST NEW PLATE OF 2007

Awarded by
Automobile License Plate Collector's Association

In October 2007, the Biloxi Lighthouse became only the second symbol of our state to be used on regular passenger license plates. We have used our state tree and flower, the magnolia, several times. So why, when Mississippi has so many other symbols from which to choose, did we use the Lighthouse?

The image of the Biloxi Lighthouse represents all those who have weathered the storm. Some may think that only means our citizens in South Mississippi. However, in some manner, every single Mississippian was affected by Katrina. Even if we didn't suffer the extreme loss of a loved one or damage to our homes and businesses, each of us has experienced the aftermath of what happened August 29, 2005.

For some it was gas shortages, power outages or the economic impact left in Katrina's wake. But, for many of us, it was donating time, water, food and other supplies, opening our wallets to help fellow citizens in need. It involved using chain saws, hammers, and a strong back to help begin the process of recovery.

And, it was shedding tears when reading the newspaper or watching the images of the destruction on our televisions.

One of the most profound images of all was the sight of the Biloxi Lighthouse standing amidst miles and miles of debris. Even though bruised and hurt, *our* Lighthouse was standing proud and tall in the sunlight of a new day. And, today *our* Lighthouse is seen on over 2 million vehicles as a reminder.

"...this tag design is intended to be a reminder to us of all those who lost so much from Katrina, to serve as a symbol of our citizens' commitment to recovery as well as a symbol of our gratitude to all Americans for their prayers and generous support." Joe Blount, Commissioner of Revenue, Mississippi Tax Commission

Mississippi State Tax Commission

Mission Statement

“The fundamental mission of the *Mississippi State Tax Commission* is to be the mechanism through which the citizens of the State of Mississippi fund their public services.”

Vision Statement

"To efficiently and effectively accomplish the mission with integrity while demonstrating courtesy toward those we serve.”

The State Tax Commission is responsible for the majority of revenue generating activities for the State, including taxation, licensing and registration, wholesaling of alcoholic beverages, and statewide property appraisal. These revenue-generating activities account for over six billion dollars in revenue to the state each year, millions of which go to other governmental entities, and are the primary vehicle for the funding of state services provided to the citizenry of Mississippi. These services include police and fire, road construction and maintenance, schools and universities, public assistance and welfare, and so on.

All of these services to the public, and many other entities, receive their operation funds from the result of the State Tax Commission’s activities. Thus, it is in this manner the State Tax Commission is the vehicle through which the citizenry of the state receive the public services they have come to know and count on. The link the State Tax Commission plays in ensuring the ongoing activity of the state is vital.

“Dedicated to the Public Service”

MISSISSIPPI STATE TAX COMMISSION

AGENCY STRUCTURE

The Mississippi State Tax Commission is led by the Chairman and Commissioner of Revenue who is appointed by the Governor. The Chairman is assisted by the Deputy Commissioner and the Director of Communications. There are two Associate Commissioners who are appointed by the Governor. The Chairman and Associate Commissioners meet for the purpose of hearing appeals made on Board of Review rulings and to approve Property and ABC matters.

The State Tax Commission is statutorily responsible for the majority of revenue generating activities for the State. The major functional areas of the Commission are taxation, licensing and registration, and controlling alcohol beverages. These functions are carried out through the collaboration of seven offices: the Office of Administrative Services, the Office of Information Technologies, the Office of Alcohol Beverage Control, the Office of Audit and Compliance, the Office of Tax Policy and Economic Development, the Office of Property Tax, and the Office of Revenue. These offices are supported by the Board of Review, the Legal Division, and the Human Resources Division.

In addition to the collection of taxes, the State Tax Commission determines the tax diversions to counties, municipalities and such special funds as provided by law within the State of Mississippi. The State Tax Commission also interacts with the United States Internal Revenue Service with regard to income taxes and with other states as necessary.

The **OFFICE OF ADMINISTRATIVE SERVICES** is responsible for providing administrative and support services for the State Tax Commission as well as accounting for the State's tax revenue. This support includes Accounting, Processing, Purchasing and the Print Shop.

The **Accounting Bureau** is responsible for administration of the agency's budget, the State Tax Commission assets, employee payroll information, employee benefits, deposit and reconciliation of tax collections, recording and refunding cash bonds, tax diversions and statistical reporting.

The **Processing Bureau** is responsible for the front-end processing of over \$7 billion in tax revenue generated by tax returns and documents. This Bureau accomplishes that by insuring that returns and payments received by the State Tax Commission are properly recorded and deposited. This efficient processing of tax returns and payments is critical to the timely collection and deposit of tax revenue.

The **Purchasing Division** promotes the objectives of the State Tax Commission by providing necessary supplies, equipment, and services. This Division, centralized under the Office of Administrative Services, utilizes an approved purchasing process to obtain goods and services, of the best quality, at the lowest price, from the right source, and in a timely and organized manner. The Purchasing Division is also responsible for facilities maintenance and security at our main office location.

The **Print Shop Division** is responsible for the bulk of printing requirements for the agency. The printing includes tax forms for about fifty different tax types involving 600-700 different forms, agency law and regulation books, forms for internal use, manuals, Alcohol Beverage Control price books, assessment logs, and the agency newsletter. Additionally, it serves as the agency's distribution center for tax forms, law updates and informational letters to taxpayers, tax practitioners, libraries, businesses, and State Tax Commission district offices. All incoming and outgoing mail is transported from and to the U.S. Post Office via Print Shop personnel.

The **OFFICE OF INFORMATION TECHNOLOGIES** is responsible for all aspects of computing within the State Tax Commission. It is currently structured around two organizational units. The first of these, **Infrastructure and Support**, is responsible for providing and maintaining hardware and existing operating software to support the business operations of the State Tax Commission. This includes teams to provide application support, support of Title Registration Information Systems, support of Alcohol Beverage Control Information Systems, network services, computer operations, and electronic interfaces.

The second unit, **Systems Delivery**, is responsible for systems analysis, development, testing, and deployment of all new application systems in support of the State Tax Commission business operations. This includes teams to do GUI (Graphical User Interface) development, business logic development, persistence development, core services development, data resources management, legacy systems, documentation, and quality management

The **OFFICE OF ALCOHOL BEVERAGE CONTROL** has three main responsibilities: licensing alcohol beverage retailers, distributing alcohol beverages of over 5% alcohol by weight to over 1,500 retail outlets, and enforcing alcohol beverage laws and certain laws regulating beer.

In order to meet its responsibilities, the Office of Alcohol Beverage Control (ABC) is organized into four functional areas. Accounting and Ordering Processing Division, Bureau of Enforcement, Purchasing Division, and Warehouse Bureau.

The **Accounting & Order Processing Division** has two primary functions. The first is to receive and process orders from licensed retailers through the internet, telephone call-in, walk-in, mail and FAX. The second function is collection and distribution of money for the state. This includes preparing invoices to vendors, collecting sales tax, excise tax, alcohol abuse tax for the Mental Health Department and the State's 24.5% profit on sales.

The **Bureau of Enforcement** consists of two inter-related groups: **Enforcement** and the **Permit Branch**. **Enforcement** is staffed by state certified law enforcement officers. Organized into districts and located throughout the state, ABC Enforcement Agents are tasked with enforcement of the Local Option ABC laws, certain laws regulating beer, and regulation of licensed businesses. By statute, ABC Enforcement Agents are directed to vigorously enforce Mississippi's prohibition laws. The **Permit Branch** processes all applications for licensing and, once permits are issued, performs all on-going maintenance to the permit status, bonds and renewals.

The **Purchasing Division** of ABC is responsible for the registration of vendors and their products, producing the quarterly Price Book, Premium Wines and Spirits List and special orders. Purchasing oversees liquor shipments into the Warehouse and provides inventory control. The ABC Price List includes 4,350 item codes for retailers to make selections.

The **Warehouse Bureau** stores the alcohol beverage inventory sold by the State Tax Commission, and fills and ships orders daily to licensed retailers. Average weekly shipments total 47,500 cases. Inventory stored at the Liquor Distribution Center in Gluckstadt averages 400,000 cases daily with an estimated value of approximately \$30 million.

The **OFFICE OF AUDIT AND COMPLIANCE** is responsible for performing audits of businesses and individuals in the field, directing compliance activities, and assisting businesses in applying for required permits, licenses, and registrations. The Office of Audit and Compliance is headquartered in the Jackson area with district offices throughout the State. Its mission is to obtain voluntary taxpayer compliance with Mississippi's tax laws and regulations. Its objective is to educate Mississippi taxpayers as to what taxes are owed and to monitor the State Tax Commission's tax systems to determine if the taxpayer is correctly reporting taxes owed.

The Office of Audit and Compliance consists of nine district service offices that serve all Mississippi counties. The district locations are Biloxi, Brookhaven, Columbus, Greenwood, Hattiesburg, Jackson, Meridian, Senatobia, and Tupelo.

The **Collection Bureau** of the Office of Audit and Compliance is designed primarily to assist the district revenue officers in the statewide collection of delinquent taxes. The Collection Bureau personnel assist the revenue officers in filing tax liens, issuing tax warrants, issuing tax levies, and maintaining records of these liens, warrants, and levies. Together with the district revenue officers, the Collection Bureau helps maintain an outstanding tax receivable balance that is one of the lowest in the nation.

The **OFFICE OF TAX POLICY AND ECONOMIC DEVELOPMENT** is responsible for coordinating the handling of policy issues, letter rulings and declaratory opinions as outlined in the Administrative Procedures Act, performing tax and revenue research for the gubernatorial and legislative bodies, and monitoring economic development incentives and issues.

The **OFFICE OF PROPERTY TAX** is responsible for monitoring property values throughout the state, investigating the work product and appraisal methods adopted by the local governing authorities in order for the State Tax Commission to equalize the valuation of property throughout the state, issuing motor vehicle titles and administering motor vehicle privilege laws and fees.

The **Valuation and Exemption Bureau** prepares for assessments of public utilities, private rail cars, mobile homes, motor vehicles for State Tax Commission consideration, and authorizes industrial tax exemptions. The **Homestead Branch** is responsible for reimbursing taxing units of local governing authorities for losses due to the granting of homestead exemption.

The **Property Assessment Bureau** ensures consistent appraisal and valuation equalization of

properties among the municipalities and counties of the State (taxes on real and personal property are collected at the local level, rather than through the State Tax Commission.)

The **Motor Vehicle Licensing Bureau** administers tax laws and fees imposed for use of roads and highways within the State of Mississippi, International Registration Plan for Mississippi-based interstate trucking firms, motor vehicle registration, motor vehicle dealer registration, and intrastate trucking. The Bureau issues tags and tag decals to the 82 counties.

The Title Bureau's mission is to issue certificates of title of motor vehicles in this state, including specific data identifying the motor vehicle, the owner(s), and any lien holders. Approximately one million titles are issued annually. Accomplishing this involves providing direct services to the public in person, by telephone and in written form.

Taxpayers who are aggrieved by assessments for taxes made upon them may apply in writing to the Board of Review for a hearing and correction of the amount of tax assessed upon them. The Board of Review shall try the issues presented, according to the law, the facts, and within guidelines set by the Commissioner, and shall notify the taxpayer of its determination.

The **LEGAL DIVISION** provides legal representation and advice to the State Tax Commission. By and through its attorneys, the Division represents the State Tax Commission in Court cases and before various administrative bodies in actions filed by and against the State Tax Commission. The photo of Biloxi's signature landmark was taken by City of Biloxi Public Affairs Manager Vincent Creel on Oct. 3, 2005, more than a month after Hurricane Katrina and after city contractors had removed debris from U.S. 90. Creel hung a U.S. flag from the lighthouse the day after the Aug. 29, 2005 storm and one will continue to hang there until a restoration of the lighthouse is completed in 2009. The Biloxi Lighthouse, built in 1848, is believed to be the only lighthouse in the United States to stand in the middle of a four lane highway. For more photos of the Biloxi Lighthouse through the years, visit the photo and video gallery at www.biloxi.ms.us.
